As we look forward to warmer weather and a sunny spring, we also embark on our annual fundraising campaign and alumni phonathon. In April, we will reach out via telephone to Coe-Brown Northwood Academy (CBNA) graduates and ask that you make a financial contribution in support of CBNA.

Last year, generous donations from alumni and friends of the Academy raised more than \$35,000. It was used for the Norma Schliessman Cater lobby remodeling project in addition to supporting a grant program available to CBNA faculty and staff each year. These grants help expand existing programs in the areas of Academics, Arts, Athletics, and Vocational Education.

CBNA's educational mission has not changed significantly over the years. Our team of dedicated faculty and staff members, supported by the Board of Trustees, promotes high academic and vocational standards and excellence, instills a sense of civic responsibility and creates an environment that supports lifelong learning and personal responsibility.

Won't you support our efforts to honor the Academy's past and strengthen Coe-Brown Northwood Academy's present and future initiatives? This year's campaign will be used, in part, to extend and weather-proof our main school entrance by creating a vestibule in front of the Norma Schliessman Cater lobby in between Pinkham Hall and the Gerrish Gymnasium.

You don't have to wait for the phone to ring; you can make a tax-deductible, one-time or recurring donation online at www.coebrown.org/giving. Please give whatever amount you can - it will truly make a difference. Whether it is \$5 or \$500 — Every gift matters!

With sincere thanks,

David S. Smith

ATTENTION PARENTS

Help us keep up-to-date with the amazing things that are happening in the lives of our CBNA graduates

As you may have seen on the Coe-Brown Northwood Academy website, each year we create a series of publications and programs for our alumni and friends. We highlight our graduates accomplishments well after graduation and spotlight amazing talents and showcase services/programs they support within their respective communities. In addition we announce marriages, births of children. We also take time to honor and celebrate those that have passed away.

Our Development and Outreach Office and our Alumni Association currently offer the following:

- Visions Magazine - two issue per year
- CBNA Connection - two issues per year
- Homecoming Events
- Alumni Basketball Game
- Alumni Banquet
- Scholarship Programs and more;

In the future we hope to bring CBNA graduates and families some new and exciting community programs including special events for 150th Anniversary Celebration.

Please take a moment to update your alumni record or your children's records with the Development Office and Alumni Association. We realize that many families are opting for cell service over landlines and some prefer to receive our publications electronically.
