

ASVAB Information

Coe-Brown Northwood Academy

Guidance Department

The ASVAB's will be given on **Saturday ~ November 18, 2017**. Doors will open at 7:45 A.M. Please arrive by 8:00 A.M. so that testing can begin promptly. Late arrivals ***will not*** be permitted to test.

If you reconsider and decide *not* to take the test, please tell your counselor so that your name is removed from the testing list. There is no cost to take the ASVAB.

On the morning of the 18th, please report directly to the **Multi-Purpose Room (Rm. 213)** for testing. You will be seated alphabetically for testing, so look for your name on a testing table and sit there.

Come well rested and fed: ready to concentrate and do your best!

Dress in layers. The MPR can either be hot or cold and consequently you may be seated where it is drafty.

The test should be over between 11 and 11:30 A.M. (It could take until noon, depending on how promptly you start and whether or not breaks are given.) Please make your work and afternoon plans accordingly.

Remember that you will need to come to the interpretation session that will be held during school at some point in December or January in order to obtain maximum benefit from this test. In addition, presence at the interpretation session and completion of a work sheet regarding the results is mandatory if you want to use the ASVAB testing as a component for your Senior Portfolio.
