The freshman laptop pilot program has proved so successful we’d like to keep it going! The 2010-2011 CBNA Annual Campaign will, like last year, help provide laptop computers to next year’s incoming freshmen (the Class of 2015). Our goal is to contribute $25,000 toward the laptop project. The total cost of the program is approximately $85,000 (depending on the size of the freshman class), so alumni donations play an important role in making this dream a reality!

Caryn Lasky, who teaches freshman English, has found the laptops to be an important tool in her classes. “The class of 2014 has been pioneering the program to fully integrate technology into the field of education at CBNA. While technology has been a facet in the lives of adolescents for decades now, it is only recently catching up into the classroom and the laptop program puts the technology directly into the hands of our students, each day, all day,” says Ms. Lasky.

“In the ninth grade English courses, students have been utilizing the laptops in a variety of ways. Certainly word processing is now easier and students can begin formal work right in the classroom instead of moving to the library or waiting for home. In addition, grammar practice is now completed in an interactive online format which reinforces the information given in class. Various classes have also formed class wikis (simple web pages that groups, friends, and families can edit together) in which they write publicly, can view each others’ writings and can discuss together as a class. As always, we continue to look for ways to best use the resources we have and to engage students in the learning process.”

Last year, through your generosity, we met our goal of contributing $25,000 to the laptop project and we hope to be equally as successful this year. Your donation to the Annual Campaign also supports the grant program that is made available to CBNA faculty and staff each year to help expand existing programs. These grants cover the areas of Academics, Administration, Arts, Athletics and Vocational Education. Your gift is tax deductible and supports Coe-Brown Northwood Academy’s ongoing commitment to the education of its students.

You may notice that we have eliminated credit card payment as an option on the remittance envelopes. The credit card fees are just too expensive, but we’ve begun offering PayPal as another payment option. You can find a link to PayPal on the CBNA web site, www.coebrown.org, under the Alumni/Annual Appeal heading.

The Annual Campaign closes June 30, 2011. Please make checks payable to CBNA Development and send to 907 First New Hampshire Turnpike, Northwood NH 03261. Thank you, alumni and friends of the Academy!

THANK YOU FOR YOUR SUPPORT.

Visions is published twice a year for the alumni, parents and friends of Coe-Brown Northwood Academy.

ON THE COVER: 2010 graduates Sarah Fenerty (left) and Nicole Buck are all smiles after receiving their diplomas!
Dear Friends,

This is a historic year for Coe-Brown Northwood Academy. On August 17, we welcomed the largest freshman class ever—198 students! Thanks to the generosity of our alumni and friends, all of these freshmen received laptop computers for use throughout their four years here at Coe-Brown. This program has been so successful that, with your ongoing help and support, we plan to repeat it again for next year’s incoming freshman class.

Visitors to our campus might notice some exciting changes to the physical plant: We completed work on a new maintenance building named in honor of two longtime custodians, Paul Colby and Willie Pierce. The new automotive shop is also up and running with expanded service bays and updated equipment. Mr. Beaumier and his students are thrilled with their new space. The renovations also included better space for the woodworking classes, additional storage space, and two new classrooms that are being used for Health, French and other classes.

But the biggest project is the construction of a new access road designed to alleviate some of the traffic woes we experience on Route 4 during the opening and closing of the school day. Please be sure to turn to page 6 of this issue for a detailed article by CBNA Board of Trustees President Jim Colburn regarding the construction progress.

Coe-Brown welcomed three new staff members this academic year: Kenneth Fisher joins the staff as a paraprofessional. In addition, he will be working with the cross country and track and field teams and assisting with the CBNA Bible Club. Mr. Fisher attended Word of Life Bible Institute and Baptist Bible College. Larry Restuccia joins the staff with 37 years of experience in education. A graduate of North Adams State College and Antioch New England College, Mr. Restuccia will be working with CBNA students as a paraprofessional. Ryan Smith also joins the CBNA staff as a paraprofessional. Mr. Smith is a 1994 graduate of Coe Brown who attended Plymouth State College. In addition to his paraprofessional duties, he will be coaching the junior varsity and reserve girls’ volleyball teams.

Finally, I am pleased and proud to report that Coe-Brown’s Class of 2011 performed extremely well on the annual NECAP tests in the areas of math, reading, writing and science, placing us among the top schools in the state in each of these areas. Congratulations to the students, and also to our incredibly dedicated team of faculty and staff members!

Sincerely,

David S. Smith
Norma Schliessman Cater, Class of 1941, is one of Coe-Brown’s most ardent supporters. In addition to establishing a scholarship in the name of her parents, Emil and Alma Schliessman, Mrs. Cater makes generous donations to the annual campaign each year. In the following article Mrs. Cater reminisces about her years at Coe-Brown and explains why she believes in giving back to her alma mater.

There were 12 members in my graduating class of 1941. Mr. Lewis F. Foote was our headmaster and he was a wonderful person. I also have to mention Roxanna Richardson as a lovely, caring teacher—strict but fair.

Coming from a large high school in the Bronx, New York, I found Coe-Brown to be quite a change. We had as many students in my old high school as there were people in Northwood! My family moved from New York to Barnstead, New Hampshire, in the middle of my senior year so I spent about three months at Pittsfield High School before we settled in Northwood and I transferred to Coe-Brown.

After graduating from Coe-Brown I went to nursing school at New Hampshire Memorial Hospital in Concord. Upon graduating I joined the Army Nurse Corps and completed my basic training at Fort Devens in Massachusetts. My first assignment was at Cushing General Hospital in Framingham, Mass. From there I went to Lachland Air Force Base in San Antonio, Texas, where I met my future husband, Lloyd T. Cater.

I got out of the service in September, 1947 and in February 1954 I was ordered to active duty by the U.S. Army Reserve. I went on to complete assignments in Fort Sill, Oklahoma; Bussac, France; Fort Devens, Mass., Fort Jackson, South Carolina; Asmara, Eritrea (Africa); Valley Forge, Pennsylvania; the 7th Surgical Hospital in Vietnam; and finally to Camp Zuma, Japan.

My husband and I settled in Northwood and for a time I worked in the infirmary at the New Hampshire State Prison—it was quite an experience! We moved to Florida in 1978 and my husband died in November 1982. My sister, Alma E.M. Schliessman, died in November 2009 in Inverness, Florida.

The biggest change that I think has taken place at Coe-Brown is the growth of the campus and the size of the classes. I established a scholarship in my parents’ names because they were both of the opinion that education is necessary to advance in life and education cannot be taken away. I believe in giving deserving children all they need to succeed in life.

Thank you, Mrs. Cater, for your ongoing support of Coe-Brown Northwood Academy and for sharing some of your memories with us!
CBNA girls’ softball team honored by N.H. Senate

Members of the Coe-Brown Northwood Academy Class I State Championship Girls’ Softball Team traveled to the State House in Concord with their coaches at the invitation of Senator Jack Barnes (R-Raymond). Senator Barnes read aloud a Senate resolution that was presented to the team and congratulated the team on its winning season. Coe-Brown defeated Kennett High School to win the Class I State Championship. Senator Jeb Bradley (R-Wolfeboro) also offered his congratulations to the team; his district includes the town of Conway, where Kennett High School is located.

CBNA students earn AP recognition awards

Several students from Coe-Brown Northwood Academy have been recognized for their exceptional achievement on Advance Placement exams, earning a score of four or higher: Christian Leavitt and Lindsay St. Cyr for English Literature and Composition; Austin Leavitt for U.S. History; Robert Correa, Kalvin Croto, Cara Fowler, Joe Gibson and Adam Howard for Calculus; and Alyssa Pittera for Studio Art.

Through more than 30 different college-level courses and exams, the College Board’s AP program provides motivated and academically prepared students with the opportunity to earn college credit or advanced placement and stand out in the college admissions process.

Lady Bears host third annual Pink Out

The Coe-Brown Lady Bears hosted the third annual Pink Out on October 15, 2010. The girls’ soccer and volleyball teams hosted Windham and Oyster River, respectively, in a lighter shade of red to show their support of Breast Cancer Awareness.

While the campaign to find a cure for cancer has spread to major teams and corporations nationwide, Coe-Brown athletes remain involved in their own community. Many students have personal stories about how this cancer has affected their lives. Others want to ensure they are doing all they can to prevent cancer from spreading. The teams have come together for three years now to unite the school community in pink. The cross country team traveled to Plymouth on October 15 and there was no shortage of pink there, either.

In addition, approximately 100 female athletes from Coe-Brown took part in the Making Strides for Breast Cancer walk on Sunday, October 17, in Concord and raised more than $11,000 for breast cancer research, the second highest fundraising total for participating groups at this walk.
CBNA earns fifth consecutive sportsmanship banner

Rusty Ross, chairman of the New Hampshire Interscholastic Athletic Association’s (NHIAA) sportsmanship committee, presented Coe-Brown Northwood Academy with its fifth consecutive Sportsmanship Award banner in October at an assembly attended by the entire student body.

Mr. Ross praised Coe-Brown’s high standards of sportsmanship and congratulated the students and coaches on their consistent efforts to adhere to the ideals of good sportsmanship and fair play. Mr. Ross was accompanied by Hank Basil, assistant director of the NHIAA.

NHIAA Sportsmanship Awards are presented annually to schools that have demonstrated a high degree of sportsmanship throughout the year.

Coe-Brown Youth 2 Youth participates in the “Plant the Promise Campaign”

The Coe-Brown Youth 2 Youth group is a youth empowerment group focused on raising awareness about the risks of drug and alcohol use. Since the last week in October was Red Ribbon Week, which is the largest drug prevention program in the nation, the group engaged in weeklong events that included numerous alcohol and drug awareness events. Among these events was “Plant the Promise” campaign which involved the group planting 200 red tulip bulbs in front of Coe-Brown that will bloom in the spring in the shape of a red ribbon. Each year, thousands of tulip bulbs are planted around the country in honor of Red Ribbon Week. Youth 2 Youth was lucky enough to receive these free tulip bulbs from the state of New Hampshire for the purpose of hosting a “Plant The Promise” event.

Other awareness events hosted by Coe-Brown Youth 2 Youth included an impact wall where students will understand the devastating effect that drinking and driving has had on youth. Youth 2 Youth placed 700 paper cars on the wall of the Gerrish Gym. One hundred and ninety-six of these cars were black, indicating the statistic that 28% of 15-20 year-old drivers who were killed in motor vehicle crashes in 2005 had been drinking (National Highway Traffic Safety Administration). The group is using 700 cars because it is roughly the number of students who attend Coe-Brown. The group also handed out red ribbons and educational information to students about drug prevention, and encouraged participation in a “wear red day” to increase awareness about the negative consequences of substance abuse on our youth.
Construction Progresses on New Access Road and Athletic Field

by James Colburn, President, CBNA Board of Trustees

In the spring of 2009 Coe-Brown Northwood Academy purchased the Dana Davidson property at 35 Bow Lake Road for the purpose of providing a second access point into the Academy. Civil Consultants of South Berwick, Maine, was tasked with not only designing the roadway but an additional soccer/softball field and new maintenance facility. The Academy first presented its proposal to the Northwood Planning Board last June, finally receiving approval to begin construction in July of this year.

Bruce Hodgdon & Son is the prime contractor on this project. Work began this summer to remove trees and install erosion control measures. Shortly after that, earth work began to clear and grub the construction site. This portion of the work has been completed and materials have been moved to bring the roadway up to grade. A detention pond is being constructed as part of the wetlands mitigation requirements. As the work progresses, construction on the ball field and roadway will proceed somewhat simultaneously.

As part of the project there will be changes to the existing parking lot and drainage structures. At the top of the hill next to the baseball field, the current wetlands area will be removed and replaced with a paved parking area designated for handicapped parking. There will also be other minor work in that area to enhance drainage and add a small amount of parking.

The new maintenance facility was started in November 2009 and completed in June of this year. The Board of Trustees named this facility the “Colby-Pierce Maintenance Facility” in honor of longtime custodians Paul Colby and Willie Pierce.

The current construction schedule should allow the roadway to be completed to grade and have the base course asphalt installed by the end of November 2010. At this time no decision has been made as to whether it will be opened for the winter or to wait until spring 2011. As part of the site plan approval requirements, the road will be gated from 10:30 p.m. to 6 a.m. daily, except when Academy events require additional periods of access. There will also be a street light installed at the intersection with Bow Lake Road. Although not required, the Academy will be installing additional cameras to monitor activity along the road and in the parking area.

During the past 12 months the Academy and our consultant have worked closely with the New Hampshire Department of Environmental Services to ensure not only compliance with current state regulations but to provide mitigation actions that demonstrate a high degree of environmental stewardship. The Board of Trustees strongly supports all efforts to enhance the environment. As part of the process we hope to use this project during its construction phase as an opportunity to provide students with real life experiences in the design, approval and construction of a project in an environmentally sensitive area. Our consultant has offered its services to work with our science department in this endeavor.

The board believes that our efforts to provide a new point of access will reduce traffic congestion on Route 4 during the morning and afternoon periods when students are arriving at or leaving the Academy grounds. This new access road, called “Academy Way,” will enhance safety as well as improve access.

Walter Millward Memorial Elks Scholarship, Adam Howard $500  
William O’Neal Oratory Award, Christian Leavitt $400
by Jessica Marden Weeks ’00

On June 12, 2010, 185 Coe-Brown alumni and guests gathered for the annual CBNA Alumni Association Banquet and an additional six guests attended just the meeting. The event was held in the Academy’s Dining Center and was catered by Just Us Cardinals.

The Alumni Association officers worked extremely hard this year to propose new by-laws that would better help the association and its members. These changes were outlined in the Spring Visions and were reviewed and voted on at the Annual Banquet. If you are interested in seeing what these changes are, please visit the Alumni Association section of the CBNA website, www.coebrown.org.

The CBNA woodworking program taught by Mr. Dana Haley once again graciously donated a handmade wooden chest for the door prize. The lucky winner was Michelle D’Allesandro ’89.

A big thank you to Lisa Allen

Kennard ’89 and her class for collecting canned goods for a local food pantry in memory of their classmate Douglas Jackson ’89.

Two handmade lap quilts were made and donated by former teacher Phyllis MacPherson for a raffle sponsored by the 50th Anniversary Class of 1950. The proceeds were donated to the Academy for the laptop project. Edith Twombly ’50 attended to the raffle table and the lucky winners were Helen Marison ’36 and Roberta Witham ’68.

This year the Alumni Association held a 50/50 raffle, which brought in a total of $552 to benefit the Alumni Association. The raffle was split between two winners, each receiving $226. The winners were Fred Holmes ’71, who donated $100 back to the Alumni Association, and George Richards, who donated his entire share back to the association.

Certificates were presented to Headmaster David S. Smith, Assistant Headmaster Paul W. Davis, Jr., and Genevieve “Ginny” Rogers, giving them lifetime honorary membership to the association. A certificate and flowers were given to Debbie Burkland Marden ’75 and Robin Burkland Drown ’76 as an appreciation of all their hard work and dedication to the Alumni Association over the years.

Robert Bailey ’45 honored his lifetime friend, George Geers ’45, with a speech and slideshow presentation facilitated by Jessica Snider ’01 and Stacy Johnson Sweet ’89 that featured a collage of pictures from George’s life.

Thank you to the CBNA performing arts students who provided entertainment at the banquet, including vocal and instrumental performances as well as a couple of numbers from the spring musical, All Shook Up.

To thank the students, the Alumni Association donated $225 as part of the Buy-a-Key program to help raise money for a concert grand piano for the Academy.

Slate of Officers

President: Charles S. Bailey ’72
Vice President: Nancy Wilson Tasker ’78
Secretary: Amy Stanley Paine ’78
Treasurer: Carolyn Knox O’Neal ’87
Corresponding Secretary: Jessica Marden Weeks ’00
Scholarship Chair: Debbie Burkland Marden ’75
Members at Large: Linda Lovely Eastman ’76, Rebecca Paine ’09, Julie Smith Clark ’89 and Cheryl Allen Jackson ’79
Currently we have one alternate member at large, Lauren Drown Dow ‘00. If you are interested in being an alternate member at large, please contact one of the nominating committee members: Jessica Marden Weeks ’00, Rebecca Paine ’09 and Julie Smith Clark ’89.

Upcoming Events
The Alumni Association is holding a puzzle fundraiser representing the history of CBNA. Puzzles will be sold at the annual fall craft fair and through the Coe-Brown web site.

The annual alumni basketball game is scheduled for Wednesday, December 22. The association hopes to hold a get-together following the game.

Scholarship Program
Seven Alumni Association scholarships were awarded this year. Each recipient was awarded a $500 scholarship. The recipients were:
Rebecca Paine, Class of 2009, NHTI
Kyle Starkweather, Class of 2009, Boston University

Leah Foley, Class of 2010, Colby Sawyer
Sara Rose Hanrahan, Class of 2010, University of New England
Ryan Drown, Class of 2010, Colby Sawyer
Jacob Bownell, Class of 2010, University of Mass/Amherst
Kelly Brown, Class of 2010, University of Mass/Amherst

This past July, we lost Robin Burklund Drown ’76, a dedicated Alumni Association officer for many years. She left us after a tremendous 10-year battle with cancer. She was an inspiration to all who were privileged enough to meet her. A scholarship has been established in Robin’s name to benefit Coe-Brown students interested in pursuing a career in the medical field. Donations can be sent to the Robin Drown Memorial Scholarship Fund, in care of Coe-Brown Northwood Academy, 907 First NH Turnpike, Northwood, NH 03261.

Robin Burklund Drown ’76 (seated) was honored for her work with the Alumni Association. Pictured with her (from left to right) are newly elected Alumni Association President Charlie Bailey ’72; Robin’s husband, Rick Drown; Robin’s son, Ryan Drown ’10, Robin’s sister, Debbie Burklund Marden ’75; and Alumni Association Secretary Amy Stanley Paine ’78. Sadly, Robin recently lost her 10-year battle with cancer.

Be sure to mark your calendar for next year’s Alumni Banquet, which is scheduled for Saturday, June 11, 2011.
Golf tournament renamed

in honor of Paul J. Guptill ’52

This year marked the fifth anniversary of the CBNA Alumni and Friends Golf Tournament and it was a milestone in other ways, as well. The tournament raised more than $5,000, the most ever, and the Coe-Brown trustees unanimously voted to rename the tournament in honor of CBNA alumnus and long-time golf tournament supporter, Paul J. Guptill ’52. Mr. Guptill and his wife, Julia, were thrilled with the honor.

Mrs. Guptill, who knows how much her husband loves the Academy, felt that it was a fitting tribute. Mr. Guptill was both surprised and pleased, but believes strongly that the tournament needs to grow even more.

“I’d like to thank the trustees and staff of the Academy for the tremendous honor of having the tournament named after me,” says Mr. Guptill. “This year’s event was the biggest and best in the history of the CBNA Golf Tournament, and I give much of the credit to CBNA Development and Alumni Affairs Director Margaret Joyce for her hard work. Thank you also to the alumni who came out and played and helped to promote the event.

“If we are going to make this golf tournament bigger and better it’s going to take more work from all of us. This is the only place where you can play, have fun and earn money for a good cause. It’s a win-win situation for all of us. I’d like to reach out to all alumni and friends of the Academy and say let’s get behind the tournament and make it as successful as it can possibly be!”

While Mr. Guptill was not a member of this year’s winning foursome, he had a great time and made the tournament a lively event for everyone. The winners were Mark Veilleux, Ann Smith, David Powers and Beth Gutteridge. Taking second place was the team of Brandon Boggs ’02, Micah Smith ’04, Isaiah Smith ’02 and Trevor Mauck ’02. The most challenged golfers (yes, that means they came in last) were Leigh Hansen, CBNA Assistant Headmaster Paul Davis, Kevin Madison and Mike Newman.

Many thanks to all the players and especially, to all the sponsors of this event. Over the five years of the tournament the event has raised more than $15,000 in support of the Academy’s endowment fund. Next year, the CBNA Paul Guptill ’52 Alumni and Friends Golf Tournament will be held on Saturday, June 11, at Nippo Lake Golf Club in Barrington.

See you then!
The Guptill clan gathers to celebrate the re-naming of the CBNA Golf Tournament in Paul Guptill’s honor: (left to right) Dennis Guptill ’77, Warren “Pete” Guptill ’45, Steven Guptill, Paul Guptill ’52, Keith Guptill ’79, Sheri Guptill DeTrude ’73 and Steven L. Guptill ’75.

The second place winning team consisted of loyal alumni Micah Smith ’04, Brandon Boggs ’02, Isaiah Smith ’02 and Trevor Mauck ’02.

**Total:** $1,450.00
For most people, finding shoes in the appropriate size is no big deal. But if you are seven feet tall and wear a size 23, this is a nearly impossible task. CBNA senior Bob Wegner has played basketball throughout his four years at Coe-Brown. During last year’s basketball season his mother mentioned to Coe-Brown’s athletic trainer, Karen Carey, that Bob was having trouble with his feet because they couldn’t find shoes in his size. Apparently men’s shoes only go up to size 22.

Karen shared this information with the rest of Coe-Brown’s physical education team to see if they had any ideas about how to help Bob. Health and phys ed teacher Josh Hils thought of someone with similar issues: NBA star Shaquille O’Neal. Mr. Hils decided to reach out to the Cleveland Cavaliers, where Shaquille played last year.

“I learned that Shaq has 12 pairs of sneakers made at a time. NBA players are so hard on their shoes that they can wear out this many sneakers during a season. The equipment manager at the Cavs listened to the story about Bob and said he’d see what he could do. At the end of the season the equipment manager approached Shaq, who had a couple of pairs of sneakers left over. Shaq agreed to let Bob have a pair and the equipment manager sent them off to us at Coe-Brown.”

The size 23 sneakers, custom made for Shaquille O’Neal, were presented to Bob Wegner during an assembly near the end of the academic year. Headmaster David Smith called Bob out of the stands in the Smith Hall gym and Bob had no idea why he was being singled out! Bob was thrilled with the new sneakers and wore them all summer during the CBNA basketball clinics.

The CBNA boys basketball team will begin practicing for the 2010-2011 season at the beginning of December and Bob Wegner will be ready to go—shoes and all!

Congratulations, Class of 2010!

1  Valedictorian Emmaline M. Horne displays her diploma.

2  Headmaster David Smith congratulates Michael McCulloch while moving the tassel on his cap.

3  Jacob Brownell was the winner of the $10,000 Nathan C. Lake Memorial Scholarship. From left to right are Anne Lake, Julie Lake Butterfield, Jake, Judith Brownell and Lawrence Brownell.

4  Shannon Dodge with her parents, RuthAnn Campbell and John Dodge ’72.

5  CBNA Trustee Tim Joslin and his daughter, Johannah Joslin.

6  Junior Class Marshall Anthony Craven ’11 strikes a pose in front of graduates Bryanna Allis, Emilie French, Emmaline Horne, Ryan Mack, Justin Loy, Carmen Williams and Lindsay St. Cyr.
Please inform the CBNA Development and Alumni Affairs Office of any changes in your address.

They did it! Members and coaches of Coe-Brown’s 2010 Class I State Championship softball team proudly display their trophy and banner. From left to right are Emmaline Horne, Lindsay St. Cyr, Emilie French, Bryanna Allis, Coach Bob Salisbury, Coach Devon Beckwith, Coach Tim Tenasco, Marissa Beaudoin, Olivia Daigle, Nicole LeMauk, Jaedyn Bedell, Hailey Locke, Katherine Wysocki, Corinne LeMauk, Lauren Harnish and Kelly Worcester.
