

PSAT Administration Information

- **Time:** The PSAT's will be given at CBNA on Saturday, October 13, 2018. Please arrive to school that day by 7:45am so that testing can begin promptly at 8:00 A.M. Late arrivals **will not** be permitted to test.
- **Fee:** A \$20.00 fee is due to your counselor **before** the day of the test. Cash or a check payable to CBNA is acceptable. Fee waivers are also available, for Junior students who qualify. Please see your counselor about this.
- **Changing your mind:** If you reconsider and decide *not* to take the test, please tell your counselor so that your name is removed from the testing list.
- **Test Day:**
 - a) Please report directly to the Dining Hall. You will be seated alphabetically for testing, so look for your name on a testing table and sit there.
 - b) Bring a calculator to the test. It is permitted on certain math sections.
 - c) Come well-rested and fed: ready to concentrate and do your best!
 - d) Dress in layers. A large space can either be hot or cold such that we will need to open the doors for ventilation and you may be seated where it is drafty.
 - e) Bring a snack for the very short break we will have between sections.
 - f) If you tend to finish tests quickly, you might want to bring a book to read quietly when done.
 - g) Testing will conclude approximately between 11:30am and 11:45am.
