- ◇ It's never too early to start planning for Senior Portfolio. Sophomores can attend cultural events, job shadow, visit colleges, & more...see your counselor to learn how!
- ◇ How's your Community Service coming along? Check-in with us for opportunities!
- ◇ It may be mid-year for some courses, but it's also the end for many, too — be aware of your competencies & attendance, as well as your finals grades, to receive credit!
- ◇ If you're satisfied with your Semester II schedule, GREAT! If you'd like to make any changes, please see your counselor ASAP to add, drop, or swap!
