Please note: The materials included in this handbook serve as guidelines for addressing situations as they arise. The Academy reserves the right to review any unique circumstances when dealing with any event. Due to the lack of space, and for practicality, not all rules are written or included in this document.
MISSION STATEMENT:

Coe-Brown Northwood Academy strives to produce graduates who are academically and socially prepared to be responsible, caring and contributing members of the global society.

To achieve this mission, we seek to:

1. Promote learning outcomes that:
   a. meet high academic standards
   b. support excellence in the acquisition of literacy, technology, analytical, computational, and communication skills
   c. place the needs of the individual student first, maintaining small teacher/student ratios
   d. provide a strong foundation for post-secondary education, employment, and life-management skills
   e. reflect and meet the needs of students in a multi-cultural society
   f. instill a sense of civic responsibility.

2. Create an environment that fosters an appreciation of:
   a. life-long learning
   b. critical and creative thinking
   c. personal responsibility
   d. self-respect
   e. multiple aspects of knowledge

3. Support mutual respect for peers, faculty, administration, community, and the environment through example, curriculum, community service projects, and community involvement within the school.

Coe-Brown Northwood Academy is a comprehensive secondary institution offering the highest quality curriculum of studies to the residents of Northwood, Strafford, and surrounding towns. Our educational programs and opportunities are accessible to both traditional and non-traditional learners, responsive to the diverse needs of an ever-changing community, and consistent with state and federal laws supporting the education of our youth.

The Academy offers a curriculum of studies which is consistent with these premises and the laws of the State of New Hampshire. This curriculum, woven into a coordinated course of study, will enable all students to realize their potential and prepare them for their chosen endeavors upon graduation. The expertise of faculty and staff permits course offerings to develop the full potential of all students, whether they be educationally advantaged or challenged. It is then incumbent on the students to be academically diligent, consistent in attendance, and positive in attitude to successfully complete their chosen course of studies.
DEFINITION OF A COE-BROWN GRADUATE:
We expect the Coe-Brown graduate to possess the communication skills of writing, reading, listening, and speaking; to possess computational skills in mathematics and personal economics; and to possess basic computer literacy.

The Coe-Brown graduate is expected to have a basic knowledge of the fine arts, aesthetically and historically; healthy lifestyle choices and personal fitness; science and the environment; and history and civics in order to choose options as a responsible citizen.

The Coe-Brown graduate will demonstrate individual responsibility in the home and community, be courteous to and accepting of people of all backgrounds and abilities, demonstrate a desire for lifelong learning, and demonstrate self-reliance tempered with sound problem-solving and decision-making skills.

ACCREDITATION STATEMENT:
Coe-Brown Northwood Academy is accredited by the New England Association of Schools and Colleges, Inc., a non-governmental, nationally recognized organization whose affiliated institutions include elementary schools through collegiate institutions offering post-graduate instruction.

Accreditation of an institution by the New England Association indicates that it meets or exceeds criteria for the assessment of institutional quality periodically applied through a peer group review process. An accredited school or college is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the New England Association is not partial but applies to the institution as a whole. As such, it is not a guarantee of the quality of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding the status of an institution’s accreditation by the New England Association should be directed to the administrative staff of the school or college. Individuals may also contact the Association:

NEW ENGLAND ASSOCIATION OF SCHOOLS AND COLLEGES

LETTER TO OUR PARENTS/GUARDIANS & STUDENTS:

Dear Parents, Guardians and Students:

The faculty, staff and administration would like to welcome you and your family to the school community of Coe-Brown Northwood Academy. We are excited to be working together as a team for the upcoming academic year.

It is important for us to educate our students in a safe and stimulating atmosphere, which teaches us discipline while allowing us creativity. Many of our school policies are based on individual students demonstrating and developing responsibility. Understanding and preparing for academic and social goals are focuses of our school community. We support, encourage, and promote good decision-making for all students.

We are extremely proud of the educational community of Coe-Brown Northwood Academy. The faculty, students, and parents together make the strong engine that will transport us through a successful year of high school experience. It is our hope that your sons and daughters have a challenging and rewarding year, both academically and socially. Communication with your student’s teachers and counselors is encouraged as well as your support for your students to participate in co-curricular activities. We appreciate and notice the outstanding efforts from parents and members of our sending communities.

Sincerely,

David S. Smith
Headmaster
ACADEMY PROFILE:
COE-BROWN NORTHWOOD ACADEMY, founded 1867, is a small co-educational public Academy accepting students in grades 9-12. The Academy campus is located on the shores of Harvey Lake. It is a thirty-minute drive to both Concord, NH, the state capital, and Durham, NH, the location of the University of New Hampshire.

The campus consists of Pinkham Hall and Main Building, Smith Hall, Soper Hall, Science Building, Wiggin Hall Fine Arts Center, playing fields and woodlands.

Coe-Brown Northwood Academy is a state-approved high school and is accredited by the New England Association of Schools and Colleges. Students from area towns are accepted on a tuition basis. At present, there are approximately 700 students, grades 9-12, from Northwood, Strafford, Nottingham, Barrington, Deerfield and surrounding towns attending CBNA.

The Academy is chartered by the State of New Hampshire and is governed by a Board of Trustees, which meets on a regular basis to conduct the educational and business affairs of the school.

The faculty consists of more than eighty including teachers, library media specialist, technology director, four school counselors, skills teachers, reading specialist, school nurse, para-professionals, Director of Counseling, two Assistant Headmasters and the Headmaster. Efforts have been made to keep a staff that not only reflects expertise, but also a varied educational background that will provide for a variety of learning experiences for the students.

The entire staff is involved in the process of staff development and professional growth to insure they keep abreast of the most current information in their subject area or teaching field.

Central to Coe-Brown’s educational program is a philosophy recognizing the need to have students develop to their fullest potential through a variety of course offerings. There is a commitment to building the student’s self-confidence, encouraging positive attitudes towards learning, developing basic learning skills and preparing students to either continue their education or enter the world of work.

The Academy offers a broad curriculum consisting of college preparatory courses, general education courses, and vocational courses. This curriculum includes: English, mathematics, science, French, Latin, Spanish, Russian, social studies, vocational, business education, family and consumer studies, music, art, and physical education. Support services are also available to the students at CBNA.

The Academy has a very extensive co-curricular program which includes a Future Career and Community Leaders Chapter, the National FFA Organization, Yearbook, Jazz Band, Select Chorus, Science Club, Athena, S.A.L.T., Alpine Club, Spanish Honor Society, National French Honor Society, Writing Club, GSA, Pep Band, Project SEARCH, Student Council, National Honor Society, National Art Honor Society, Gaming Club, International Thespian Society, Future Business Leaders of America, Peer Helpers, Young Filmmakers, Math Team, Debate Club, National English Honor Society and more. Coe-Brown Academy’s athletic program consists of volleyball, golf, cross-country, soccer, bass fishing, basketball, baseball,
softball, ice hockey, bowling, lacrosse, swimming, gymnastics, spring track, winter track and tennis.

Coe-Brown Northwood Academy admits students of any race, color, sex, sexual orientation, gender identification, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. Coe-Brown Academy does not discriminate on the basis of race, color, sex, disability, national and ethnic origin in hiring of faculty members, in administration of its educational policies, admission policies, scholarship programs, and athletic and other school-administered programs.

Coe-Brown is not a large school, and its rural setting offers the student an excellent opportunity to learn yet retain his/her individual identity. The Headmaster and faculty extend a warm invitation to all adults and parents to visit the Academy and the students during our publically held events.

**INTRODUCTION:**
The Board of Trustees considers it mandatory for those who share in the program of the Academy to abide by such regulations as the Administration shall consider to be in the best interest of an effective educational program.

Any conduct that threatens the right of any student to acquire the training and skills that will allow him/her to do a better job or to improve himself/herself generally will not only be discouraged, but will not be tolerated. Failure of any student to cheerfully meet the basic rules of conduct shall be considered grounds for the curtailment of the privilege of attending school. The Academy reserves the right to suspend or dismiss any and all offenders. This authority is delegated to the Headmaster.

It is important the Academy regulations be clearly understood. These rules are in effect for the well-being of the individual and in the interest of safe school management. Your cooperation in these matters is necessary to insure fulfillment of both of these objectives.

**REMEMBER,** most trouble starts as fun!

One of the most important lessons education should teach is discipline. While it does not appear as a subject, it underlies the entire educational structure. It is the training that develops self-control, character, and efficiency. It is the key to good conduct and proper consideration of other people.

We continue to be concerned about the number of students who work while attending school. Generally, we find that those students who work more than 20 hours a week are having increasing difficulty in meeting our standards for attendance and academic achievement. We feel that school must have the higher priority.

Students and parents should familiarize themselves with the contents of this handbook to avoid possible misunderstandings or inadvertent violations of the school policies.
ATTENDANCE:
The Coe-Brown Northwood Academy Board of Trustees requires that students approved for enrollment at Coe-Brown Northwood Academy by the sending school districts, and those who may be attending on private tuition or enrolled at the school through an international program, attend school in accordance with all applicable state laws and Academy policies. The educational program offered by Coe-Brown is predicated upon the presence of the student and requires continuity of instruction and classroom participation in order for students to achieve academic standards and consistent educational progress.

Attendance shall be required of all students enrolled in Coe-Brown during the days and hours that school is in session, except that the Headmaster may excuse a student for temporary absences when receiving satisfactory evidence of conditions or reasons that may reasonably cause the student’s absence.

The Board of Trustees considers the following to be reasonable reasons for excused absences:

1. Required court attendance
2. Medical and dental appointments
3. Death in the immediate family
4. Observation or celebration of a bona fide religious holiday of the student’s faith
5. Such other good cause as may be acceptable to the Headmaster or permitted by law

An excused absence means that the student was not in school but the student and parents/guardians provided appropriate proof of one of the recognized types of absences above. It will be recorded in the student’s record as an excused absence.

Any absence that has not been excused for any of these reasons will be considered an unexcused absence. At the Academy’s discretion, students may or may not be able to makeup work for credit missed during an unexcused absence.

In the event of an illness or other unplanned absence, parents must call the school and inform Coe-Brown of the reason causing the absence. The Headmaster may require parents to provide additional documentation in support of their written notice, including but not limited to doctor’s notes, court documents, obituaries, or other documents supporting the claimed reason for non-attendance.

Parents/guardians are requested to call the school to report an absence by 7:50AM. The main office staff is available starting at 7:00AM and an answering machine is available before the office opens. If the school does not hear from a parent/guardian by 7:50AM, school staff members will attempt to make contact by phone using family supplied home, work, cell and emergency numbers. If no contact can be made by 10:00AM the School Resource Officer will notify the appropriate local police department to report a truancy and request a home-check.

If parents wish for their child to be absent for a reason not listed above, the parent must provide a written explanation of the reason for such absence, including why the student will be absent and for how long the
student will be absent. The Headmaster will make a determination as to whether the stated reason for the student’s absence constitutes good cause and will notify the parents via telephone or writing of his/her decision. If the Headmaster determines that good cause does not exist, the parents may request a conference with the Headmaster to again explain the reasons for non-attendance. The Headmaster may then reconsider his initial determination. However, at this juncture, the Headmaster’s decision shall be final.

Classroom teachers will keep accurate and detailed records of attendance in every class. Students who are not present in class will be charged with an absence, except those students who have been excused to participate in school sponsored activities such as field trips, class meetings, etc. Those students who are tardy or excused early must be present in class for at least 50% of the class period or they will be marked absent. Students who are administratively suspended will be marked absent.

Thirteen or more absences (excused or unexcused) from a full year (1 credit) course, seven absences (excused or unexcused) or more from a semester (1/2 credit) course or from a quarter (1/4) course is considered excessive. The classroom teacher will verbally notify each student when they have excessive absences and record it in Infinite Campus. Parents and students can keep track of their attendance through Infinite Campus.

A student who is absent (excused or unexcused) from a full year course thirteen days, or from a semester/quarter course for seven days will not receive credit in the course unless an extension has been granted by the Board of Trustees. Students enrolling in the Academy after the beginning of the year will be allowed a number of absences for the year and for the semester proportioned to the point of the year they register. Each case will be decided individually.

**EXEMPLARY ATTENDANCE:**
Perfect attendance is earned if the student is present in school for at least 3 periods each day. Participation in a school sponsored event is counted as being present. Excused absences do not count as present.

**EXTENSION REQUESTS FOR ABSENCES:**
Extensions of the maximum number of absences permitted by this policy may be considered when extenuating circumstances such as a serious illness or injury have been the cause of prolonged absence. Medical, legal or other documentation of absences should be submitted to the office. Notes that are submitted for absences during the year will be recorded in the student’s attendance record. Official documentation of absences will be reviewed and extensions granted as appropriate. Students and parents will be notified if further documentation is needed to qualify for an extension. Students enrolling in the Academy after the beginning of the year will be allowed a number of absences per year and per semester proportioned to the point of the year at which they register. Each case will be decided individually.

Students who receive a passing grade of 70 or higher, but who lose credit due to excessive absences will be notified and allowed to make-up time during the summer recess. Absences will be made up at the rate of three hours for the first day over twelve days, or six days, whichever is appropriate, and one hour for each additional day. This time must be spent on constructive assignments in the course of study for which
credit is requested. There will be a fee charged for this extra instruction. Make-up work must be completed prior to the end of summer school for that year.

**Family Vacations/ Educational Opportunities**
Generally, absences, other than for illness and the other reasons listed earlier, during the school year are discouraged. The Headmaster or his/her designee may, however, grant special approval for such an absence, provided written approval is given in advance. Parents are asked to write a note to their child’s teacher at least two weeks before the trip. This advance planning will allow the teacher enough time to work with parents and the student regarding homework completion.

**Co-Curricular Activities**
Students must be in school by 10AM to be eligible for the day’s co-curricular activities, including athletics competitions, and performances.

**Truancy**
Truancy is defined as any illegitimate absence from class or school. Five days of illegitimate absence during a school year constitutes habitual truancy.

The Headmaster or his/her designee is hereby designated as the Coe-Brown employee responsible for overseeing truancy issues.

**Intervention Process to Address Truancy**
The Headmaster’s designee shall ensure that the administrative guidelines on attendance properly address the matter of truancy by including a process that identifies students who are habitually truant, as defined above.

When the school counselor identifies a student who is habitually truant or who is in danger of becoming habitually truant, he/she shall commence an intervention with the student, the student’s parents, and other staff members as may be deemed necessary. The intervention shall include processes including, but not limited to:

1. Investigates the cause(s) of the student’s truant behavior;
2. Considers, when appropriate, modifications of his/her educational program to meet particular needs that may be causing the truancy;
3. Involves the parents in the development of a plan designed to reduce the truancy;
4. Seeks alternative disciplinary measures, but still retains the right to impose discipline in accordance with Coe-Brown’s policies and administrative guidelines or student discipline; and
5. Determination as to whether school record keeping practices and parental notification of the student’s absences have an effect on the child’s attendance.

**Parental Involvement in Truancy Intervention**
When a student reaches habitual truancy status or is in danger of reaching habitual truancy status, the Headmaster’s designee will send the student’s parent a letter which includes:
1. A statement that the student has become or is in danger of becoming habitually truant;
2. A statement of the parent’s responsibility to ensure that the student attends school; and
3. A request for a meeting between the parents and the Headmaster to discuss the student’s truancy and to develop a plan for reducing the student’s truancy.

**EARLY DISMISSAL:**
Occasionally it may be necessary for a student to leave school early for doctor’s appointments or other unavoidable commitments. In these cases, students must bring in early dismissal notes prior to block 1 class. Students will not be excused from school without a written request from the parent or guardian except in extraordinary circumstances, and only then with special permission from the Headmaster or Assistant Headmaster.

**DISMISSAL BY SCHOOL AUTHORITIES:**
Students will not be dismissed from school for any reason unless the parent or guardian has been contacted. Students who come down sick during school should see the school nurse at the earliest opportunity. If, in the judgment of the nurse, a student should be sent home, the parent or guardian will be contacted and appropriate arrangements made. Students who feel ill and wish to be dismissed must see the school nurse before permission to leave will be granted.

**TARDINESS:**
Punctual attendance for all classes is extremely important. The material covered in the first few minutes of a lesson contributes to the overall success of the entire period. Students who are habitually late to class cause needless disruptions and negatively impact both their own achievement and that of everyone else in the class. The Academy realizes that transportation problems are responsible for tardiness at the beginning of the day but students who are more than a few minutes late to school or who are often late in arriving will be required to present parental excuses for their lateness.

Students will be allowed three unexcused tardies per class per marking term. On the fourth tardy, they will be assigned a 30-minute teacher detention and on the fifth and all subsequent tardies, administrative referrals will be filed for further action. Students will receive administrative detentions for the fifth tardy and in-school suspensions (Saturday Schools) for the sixth tardy. Additional tardies will warrant further administrative action. All parentally excused or unexcused tardies will count toward these totals, as will tardies for any other reason. The only exceptions will be if the students are tardy because they were working with an administrator or teacher and that staff member writes them an excused pass.

On a regular basis, a morning assembly will be scheduled to allow for the recognition of students, to present important information, and to preview the week to come. These assemblies add a great deal to the atmosphere of the Academy and it is important that all students and faculty are present.

Students arriving late to school during the assembly will be recorded. The morning assembly uses part of block one. Arriving late to school, and to the assembly, will be recorded by the teachers as tardies to block one and will count towards each student’s allowable total.
Students entering school after the late bell (7:50) must sign in at the office and receive a pass in order to enter their class. Students late to class must have a pass from the office or teacher with whom they were working.

**TARDY TO SCHOOL:**
In addition to tardies leading to detentions in classes, tardies to school will lead to administrative detention, in-school suspensions and other penalties.

Definition of Tardy to School: Students will be considered tardy to school if they arrive to school after the opening bell and/or if they are not in their assigned seat of their block one class when the opening bell sounds. (As with other parts of school policy, students are not considered tardy if they were with a staff member who gives them an excused pass.)

- On the fifth tardy to school during a marking term, the student will be assigned to an administrative detention.
- On the sixth tardy to school during a marking term, the student will be assigned to an in-school suspension (Saturday.)

Subsequent tardies to school in the same marking term will result in additional in-school or out-of-school suspensions, loss of privileges like senior release or honors study hall, and/or the scheduling of parent conferences or hearings with the Board of Trustees.

When a student is tardy to school, the tardy will count both toward the allowable total for being to school on time and for being in the class period missed. A student could end up serving two penalties for the same tardiness.

**STUDENT ACTIVISM:**

The Academy encourages students to be responsible public citizens and supports student to be positive advocates for change in our society. The participation in peaceful protests and expressing social viewpoints through voting, lobbying, and demonstrating are effective exercises in free speech.

However, time in the classroom is limited to 180 school days and should not be sacrificed for these activities. Students are encouraged to participate in these events after school hours, on the weekends, and during vacations.

If students are absent from a class for a protest, “walk-out,” or demonstration, they will be marked with an “unexcused absence” and will be responsible for the material taught in class as well as any homework that is assigned. A parent note will be required in order for a student to not be “truant” from school, but the absence will not be “excused” regardless of the importance/topic/issue of the social protest.

While many of our students are admirably passionate about important social issues facing our society today, it is important to protect the integrity of each student’s educational experience.

**CLASS DUES:**
Many classes (seniors, junior, etc.) conduct activities for their members, especially at the end of the senior
year. During their four-years, classes will routinely conduct a number of activities, both for fun and for the purpose of raising money. Classes will also require dues. Class dues for all grades have been set at $10.00 per year of enrollment. Funds raised by dues and activities are typically used for graduation expenses.

**AUTOMOBILES:**
If you wish to drive your automobile or motorcycle to school, you must register your vehicle with the Academy to obtain a parking space. A permit fee of **$80.00** is required. A discounted fee will be charged for any application accepted after January.

Parking space at the Academy is very limited and this year we may be forced to limit the number of student vehicles. Priorities for parking spaces will be assigned as follows:

1. students who are physically challenged or have a special need;
2. seniors;
3. all other students.

Driving to school and parking in school lots is a privilege that can and will be taken away from students found operating cars in an inappropriate manner. Parking enforcement may also include towing at the owner’s expense, ticketing by the police and/or loss of permit. Students are not to linger at their cars. There are a number of video cameras located in parking lot areas, as well as overlooking the driveways on campus.

**CELL PHONES:**
In order to maintain the school’s focus on a productive work environment, Coe-Brown limits the use of cell phones and other devices during the day. Students may use cell phones before or after school, between classes or in the dining hall during lunch. They are not to be used during class, in study, during assemblies, in the locker rooms or bathrooms and at other times and places where they could cause a disruption or be inappropriate. Phones or any related devices should not be out in classes even for such things as “just checking the time” or “using it as a calculator” without the classroom teacher’s permission.

Parents’ cooperation in helping maintain a productive work environment can be fostered by not calling or texting students during school except for emergencies. Important parental messages can be relayed through the school secretaries without interrupting the school day.

It is strongly recommended that cell phones be turned off or placed on vibrate mode during school hours. A disruption of class or other school activity caused by an incoming call is inappropriate. If it happens, the student is to turn off the phone and not answer the call in class, etc.

Students who use cell phones and other devices inappropriately will face the following consequences:

**Cell Phone Violation Discipline**
The cell phone will be confiscated by a staff member who will give it to the Headmaster/Assistant Headmaster. The student’s parent may pick up the device from the administrator. It is the student’s
responsibility to notify the parent/guardian of the need to come to the school to retrieve the phone.

If the Headmaster/Assistant Headmaster is in a meeting, has been called away from the building or is otherwise engaged at the end of the day, the student will have to wait until that administrator is available to have the phone returned.

Saturday School in-school suspensions may be assigned to repeat offenders.

AFTER SCHOOL:
Students are expected to leave the school grounds by 3:10 p.m., unless they are involved in a supervised activity. If students must wait at school for transportation after this time, they need to get the permission of the Headmaster. Students who are waiting for a late afternoon or evening activity may wait in the designated area.

BUILDING MAINTENANCE:
We all realize how neat and clean our school is kept by the maintenance staff. As you go around the building, notice the halls, the rooms, and the desks. Please do your part to keep our school clean. Marking on desks, and/or walls, will not be tolerated. Please stay off the gym floor with shoes, use appropriate athletic sneakers only.

BULLETINS AND ANNOUNCEMENTS:
All notices of club meetings, athletic and social events, general information of the day, and specific instructions are announced over the P.A. system each morning. Students responsible for putting notices in the daily bulletin must have their notices approved and signed by their advisor and in main office preceding the announcements.

Special notices are posted on the bulletin boards. All posters must advertise school-sponsored events and must be approved by the Headmaster or Assistant Headmasters.

CO-CURRICULAR ACTIVITIES:
All students are encouraged to take advantage of the variety of co-curricular activities offered at the Academy. We believe that interests outside the classroom add an extra dimension to the total educational experience. However, academics must come first. Students must complete each marking term with a grade of 70 or higher in four (4) credits of work. Eligibility for fall activities will be based on grades achieved during the final term of the preceding year.

In addition, students participating in inter-scholastic athletics must have a current physical and medical form on file with the school nurse, as well as complete an “Impact Test” to establish a baseline for possible post recovery concussion assessment.

LOCKERS:
Students will be assigned lockers by the front office. **DO NOT CHANGE LOCKERS WITHOUT PERMISSION.** Freshmen will automatically be assigned lockers. Sophomores, juniors and seniors may
request a locker at the main office. School combination locks will be issued to students at their request.

Students will enter their lockers only between periods. If a student arrives to school late or is to be dismissed early, he/she will be able to enter his/her locker. Lockers may be inspected at the discretion of the Headmaster.

**DRESS CODE:**
The Academy provides the following dress code in our efforts to maintain an academic atmosphere conducive to a learning environment. The following guidelines apply except for school-wide events where special dress is permitted.

Overall expectations for all students:
1. All students are expected to be neat and clean.
2. All should be dressed in attire appropriate to the classroom. This means that no bellies, breasts, buttocks, backs, or underwear should be showing. This should be true when climbing stairs, sitting at a desk, or standing. Garments should not be transparent or sheer without a dress code appropriate garment underneath.
3. Dress or appearance disruptive to the learning process will not be tolerated.
4. All clothing must be neat and clean and free of rips and tears. No raw fabric edges should be exposed.

Specifics:
1. Head coverings (such as hats, hoods, or bandanas) will not be worn in school, except for medical or religious exemption as approved by Headmaster.
2. Appropriate footwear is required at all times; slippers are not permitted.
3. Shirt requirements:
   a. Material of the shirt must have at least a “three fingers” width strap.
   b. The sleeve must be hemmed and sewn with no raw edges.
   c. Shirts must cover the entire midriff.
4. Inappropriate pictures or lettering are not allowed on shirts or other clothing. This includes advertising for alcoholic beverages or alcohol/drug/tobacco related messages, weapons, violent acts, sexual innuendo, or derogatory or threatening statements. Clothing that contains images or messages that prompt social injustice is also deemed inappropriate.
5. Shorts will be allowed throughout the year. Cutoff shorts and shorts with holes or rips are not permitted.
6. Students in classes conducting outdoor activities during wet or cool weather cannot use the wearing of shorts as a valid excuse for non-participation. Students should dress appropriately for the planned activities.
7. Length of shorts must be fully cover the buttocks (see Overall Expectations #2.)
8. Shorts are not appropriate for field trips.
9. All students will have extra clothing for physical education class and will change for class when required.
10. Students will wear protective clothing (such items as laboratory aprons, coveralls, safety glasses,
etc.) when required for class.

11. Skirts and dresses must fully cover the buttocks even while sitting or climbing stairs (see Overall Expectations # 2.)

12. Dress straps must be at least “three fingers” width at the shoulder. No halter top dresses will be permitted.

13. Pajamas are not appropriate for school wear.

14. Clothing supporting gang association either using colors or symbols or worn in a style linked to gang identification will not be allowed.

15. No chains of any kind may be worn.

**Jewelry and Body Piercings**

Coe-Brown subscribes to the New Hampshire Interscholastic Athletic Association’s policy barring the wearing of jewelry (which includes body-piercing objects) during competitions. We extend that ruling to cover all athletic practices and scrimmages as well.

Wearing jewelry in physical education class poses a safety concern for the student. The Physical Education Department policy is that all jewelry will be taken off. This includes watches, rings, earrings, bracelets, necklaces, and all body piercing. No exceptions will be allowed. If a student does not remove jewelry, a missing assignment will be administered and the student will not be allowed to participate in physical education class for that day.

**Enforcement**

Students who do not adhere to these requirements will not be permitted to attend class or the activity involved until the dress code violation has been remedied.

A student whose manner of dress appears to be in violation will be immediately sent to their school counselor. (If their regular counselor is unavailable, another counselor will address the situation). If their style of dress is indeed in violation of the dress code, an administrative referral will be filed, and the following additional actions will occur:

**First Dress Code Violation**

The student will be required to change to appropriate clothing before being allowed to return to class. If they do not have appropriate clothing with them, they will either have to borrow such clothing from another student (no interruptions of another student’s class will be allowed) or they will have to contact a parent to bring them school-appropriate attire.

Students will remain in the school counseling waiting area until they have appropriate dress. They will not return to class until the situation is resolved. If lunch period comes during the time the student is waiting for clothes to change, the student may go to the dining hall to get lunch but will return immediately to the counseling area to eat.

**Second Dress Code Violation**

Same as above plus an administrative detention will be assigned.
Third Dress Code Violation (and any subsequent violations)
Student may be assigned a Saturday School and a parent conference may and/or a hearing with the Education Committee of the Board of Trustees may be scheduled.

Students will be allowed to go home to change only with specific parent permission at that time, regardless of senior release status. Time out of class for referral, in-house correction of dress situation, waiting for parents to bring appropriate clothing or during the time the student may be dismissed to go home to change will count as class absences.

Interscholastic Events/Field Trips Dress
Students who participate in interscholastic events represent the Academy and the entire student body. Advisors and coaches will insure that all students reflect credit on the Academy in both their conduct and dress.

The following guidelines will be followed unless specifically exempted by the Headmaster:
• Male students will wear slacks and shirt with tie; sport coats or sweaters may be required when appropriate; blue jeans or shorts will not be worn.
• Female students will wear appropriate attire such as dresses, skirts and blouse or slacks; blue jeans or shorts will not be worn. Casual t-shirts are not appropriate.
• Teams or organizations may travel in uniform when and where appropriate.

Teachers will insure that students on field trips are dress appropriately for the activity involved. Exceptions to these guidelines may be granted by the Headmaster if circumstances warrant.

Graduation and Baccalaureate Dress Code and Regalia
Commencement Exercises are celebrations of Coe-Brown graduating students’ successful completion of their high school careers. The events are designed to honor students for their achievements in our classrooms, labs, stages and athletic fields. These are Coe-Brown centered events and the Academy will provide the appropriate caps and gowns, sashes, cords, medals, boutonnieres and other regalia items. These are the property of Coe-Brown until the end of the graduation ceremony when they are gifted to the members of the graduating class. The dress code will be reviewed by students during meetings and rehearsals leading up to the commencement exercises.

Personal decorations, sashes, cords, medals and other awards not presented to students through the Academy are not permitted. Coe-Brown acknowledges that students may have received awards, sashes, or stoles from many other outstanding organizations in the community. We encourage all students to celebrate those achievements in outside organizations at appropriate events hosted by those organizations. Coe-Brown commencement exercises will focus on the tremendous accomplishment of successfully achieving a Coe-Brown diploma.

All seniors will wear the supplied regalia with the following option allowed by law:
**New Hampshire RSA 189:71 Military Uniform.**

A student shall have the right to wear a dress uniform issued to the student by a branch of the United States armed forces while participating in the graduation ceremony for the student’s high school if that student meets the following requirements:

I. The student has fulfilled all of the requirements for receiving a high school diploma in the state of New Hampshire and the school district and is otherwise eligible to participate in the graduation ceremony.

II. The student has completed basic training for and is an active member of a branch of the United States armed forces.

**CARE OF SCHOOL PROPERTY:**
Students are responsible for the proper care of all books, supplies and furniture supplied by the Academy. Students who lose, destroy or disfigure Academy property shall be held responsible for the repair or replacement of said property. These students may also be held to criminal charges.

**DISCIPLINE:**
Standards of conduct and performance are an essential part of good educational programs. We expect students to act responsibly and abide by the conditions set forth in this handbook.

However, for those few who have difficulty doing this, the following disciplinary actions may be taken:

- **Verbal Reprimand:**
  Most problems can be resolved by verbally correcting the student and emphasizing the expected behavior. The rules must be taken seriously by the student since frequent verbal reminders are generally an indication that more serious action will be necessary.

- **Detention:**
  Teachers are expected to assign detentions to students who do not meet their expectations in conduct or performance. Detention periods will begin immediately following the last period of the day and last until the time specified by the teacher. Students will be given the opportunity for 24 hours’ notice to enable them to make arrangements for transportation. The detention period is an opportunity for the student and teacher to discuss and hopefully resolve the problem.

- **Administrative Detention:**
  Administrative detention is assigned to students who have violated the homework policy or the tardy to class policy. Administrative detention begins at 2:40 p.m., and lasts until 3:40. Students will report to Room 303 on time with enough schoolwork and the necessary supplies to keep themselves busy for the entire hour. These detentions are serious affairs resulting from the student’s inability to perform up to normal expectations.

Students will work on appropriate class work during these detentions. All normal rules for a quiet study hall apply to the detention room except the following:
1. Students will not be allowed to go to their lockers.
2. No food or beverages will be allowed.

Any time lost because of emergency trips to the restroom or other facilities will be made up in detention.

Students without work or who cause disruptions by talking or other action are subject to further administrative detention and/or in-school suspension.

**In-School Suspension**
In-school suspensions are assigned to students for the serious breach of school rules and policies. In-school suspensions are a significant disciplinary action and are not to be taken lightly. Parents or guardians of suspended students will be sent a letter notifying them of the suspension.

In order to protect the student’s time in class, in-school suspensions are normally scheduled for a Saturday morning. In-school suspensions may be scheduled during days of student vacations. In cases when the student must be removed from class during the school day, the student will be marked absent from the classes missed, however, they will be expected to complete all assigned work.

Saturday School in-school suspensions begin at 8:00 a.m. and last until 12:00 noon. Assigned students will report to school by 8:00 a.m., when the doors to the building will normally be locked. Students not reporting on time will be considered truant and will face possible additional consequences.

A Saturday School in-school suspension will be a four-hour **quiet study hall** with all normal rules in effect except:
1. Students will not be allowed to go to their lockers.
2. No food or beverages will be allowed.
3. Any time lost because of emergency trips to the restroom or other facilities will be made up.

A ten-minute break for the use of the restrooms, vending machines, and telephones, will be allowed during the middle of the morning. Appropriate time will be determined by the staff member monitoring the suspension.

The staff member assigned to monitor the suspension may confer with the teachers of assigned students before the day of the suspension. She/he can collect a list of any homework or other assignments the student has missing or currently due. Students in suspension will have the option of working on current or past due assignments but they will keep busy for the entire four-hour suspension. At a teacher’s request, the in-school suspension monitor will collect any completed past due work and return it to the teacher as soon as it is appropriate. Students without work or who cause disruptions of the suspension session will be dismissed from the suspension and will face further disciplinary action.

**Out-of-School Suspension**
Students will be suspended from attending school when their behavior or performance casts serious doubts on whether they belong at the Academy. Students will be suspended out-of-school by the Headmaster and
parents will be notified by letter via email or post mail. In most cases, the student and parents will be required to meet with a representative of the Board of Trustees to determine a future course of action prior to re-admittance of the student.

**Dismissal from School (Expulsion)**
Students who are unable to adjust or conform to the standards of the Academy may be dismissed by the Board of Trustees. This action will be taken only after all possible measurements have been exhausted. Parents and the sending school board will be formally notified of such proceedings.

**COMPLAINT AND GRIEVANCE PROCEDURE:**
Unless otherwise noted in Academy policies or procedures, specific complaints regarding policies and/or administrative rulings or decisions shall be submitted in writing to the Headmaster.

1. The Headmaster or his designee shall investigate.
2. The Headmaster will consider the evidence presented by the aggrieved and/or the administrative designee and rule on corrective action, if any.
3. Any appeal from the decision of the Headmaster may be taken to the Board of Trustees within ten days, and, after hearing evidence in the case, the Board will render a decision within sixty days of the appeal.

**FIGHTING:**
Fighting is not an acceptable way to deal with conflicts among students and no form of it can be tolerated in or around school. This includes school grounds, on the buses, at the bus stops and at the site of an away from school activity.

Fighting creates a dangerous situation, not only for the participants but also for bystanders, including those who try to prevent the fight from escalating or continuing. Fighting includes: punching/hitting, slapping, kicking, scratching, biting, butting, hair pulling, pushing opponents into walls or furniture, and other types of inappropriate physical contact.

The Headmaster will work in conjunction with School Resource Office to ensure any necessary reports or complaints are filed. Substantial rumors of confrontations said to be happening away from school will be reported to the police. Fights that include any type of weapon will automatically be reported to the police and disciplinary action as outlined in the weapons policy will be employed.

The Headmaster will administer appropriate disciplinary actions for students found to be fighting. This may include in-school or out-of-school suspensions (up to 10 days), or even expulsion. Students who promote or encourage other students to fight will be considered full participants in the fight and will be subject to the same scale of disciplinary actions.

**SOCIAL INJUSTICE:**
Coe-Brown Northwood Academy is a community made up of staff and students from diverse backgrounds. Actions or deeds that are meant to belittle or threaten the ethnic, religious, or racial background or the sexual identity or orientation of another member of the school community cannot be
tolerated. The wearing, displaying or writing of symbols that promote or symbolize social injustice is prohibited as it is against the mission of the Academy and will be subject to disciplinary repercussions.

**FIRE AND EMERGENCY PREPAREDNESS DRILLS:**
Safety drills are required at regular intervals by state law. It is essential for safety that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly and quietly as possible. Teachers in the classrooms will give directions as necessary.

**SCHOOL COUNSELING SERVICES:**
The goal of the school counseling department is to assist each student in gaining the maximum benefit from his/her educational opportunities. To this end, academic, career-planning and personal counseling are offered, student records, including results of interest and aptitude testing, are maintained, and a library of school, college and career information is available in the school counseling office. Students and faculty are encouraged to make full use of school counseling services. Students should see the counselor before or after school or by appointment during study periods.

Students will keep their academic schedule on the first day of school. Changes in schedules will be allowed the next five days. Schedule changes will not be made after that time, without following administrative procedures.

**GRADING SYSTEM AND COMPETENCIES:**
Student academic progress is available to parents and students, live time, through Infinite Campus. Grades in each class should be updated at least once a week. Reports cards are formalized on a quarterly basis on the dates assigned by the Headmaster and are posted in Infinite Campus.

**Grading System**

A (93-100)  SUPERIOR
B (85-92)  GOOD
C (76-84)  AVERAGE
D (70-75)  PASSING
F (0-69)  FAILING – NO CREDIT
P  PASS

INC - Incomplete
NC - No credit
DR - Dropped Course
EA - Credit denied due to excessive absences
FC - Credit denied due to failed competencies
AC - Credit denied due to excessive absences and failed competencies

**Effort & Conduct**
Students will receive an Effort and Conduct grade for each class. Grades received are as below:

1 - VERY GOOD
Competencies
The State of NH mandates that all schools have in place a system that measures and tracks students’ progress in meeting competency requirements. We have competencies for each course and students must pass all competencies in order to receive credit for the class. It is possible to pass the class but not receive credit due to one or more competencies not passed. A system for remediation has been set up to enable the student to pass the competencies and therefore receive credit for the class. Infinite Campus is used to communicate on a regular basis with parents the progress of their student.

Progress on COMPETENCIES will be noted on Infinite Campus as follows:

   P – Passing
   F - Failing

Honor Roll Requirements (based on weighted Grade Point Average)

1. High Honors – weighted GPA is 97 or higher for the marking term.
2. Honors – weighted GPA is 90 or higher for the marking term.

Honor Graduate Requirements
To earn the distinction of “Honor Graduate” a senior must have a minimum weighted grade point average of 90.0.

LEAVING SCHOOL GROUNDS:
Students are not to leave school grounds once they have arrived, without expressed permission of the Headmaster or Assistant Headmaster. Violations of this rule are deemed very serious and shall result in strong disciplinary action.

SENIOR RELEASE:
Senior Release provides the ability for eligible seniors to sign into school late or to leave school early for the day.

Protocol for seniors with Senior Release:

- The senior may leave school upon completion of his or her academic schedule instead of remaining in study hall or may enter school on a delayed basis if study hall is during the first block of the day.
- Any senior using Senior Release must leave school grounds immediately and may NOT remain in the halls, building, or on school property.
- Seniors must sign out/in to school in the Main Office.
• If a senior with Senior Release wishes to remain in school for any reason on a given day, he or she must report to their study hall as normal for attendance purposes.

• On days when a required assembly or activity is scheduled during the time when a senior would have used Senior Release, he or she may be required to remain in school instead. Advanced notice will be given in these situations.

• No senior will be allowed to drop or add courses or rearrange his or her schedule for the purpose of obtaining Senior Release.

Eligibility:

• The student must be a senior who has received 1’s and 2’s in Effort and Conduct in every Subject during the last marking period.

• Students will be withdrawn from the program for failure to comply with guidelines or failure to remain a student in good standing.

• A student with one 3 may petition the Headmaster with a written letter of explanation and request.

• A signed Senior Release Form must be completed and signed by the student and parent/guardian prior to approval.

This program is subject to constant review and evaluation. If at any time, it is abused or appears to be unsatisfactory to the educational goals of the Academy, the program may be terminated.

**MEDICATION POLICY:**
The Board of Trustees of Coe-Brown Northwood Academy has adopted the following policy with regard to students who need prescribed medication during the school day. Prescribed medicine should not be taken during the school day if it is possible to achieve the medical regimen at home.

However, if medications are necessary during the school day then the following guidelines are in effect:

1. Parents/legal guardians of the student must complete a medication administration form when requesting school assistance.

2. A written statement from the prescribing physician that includes the following information will be on file in the student’s health record before any medication is administered.

3. Name of medication

4. Route of administration

5. Dosage

6. Name of prescribing physician

7. Student’s name

8. Prescribed medications will only be given by the school nurse, headmaster, and/or designee (as assigned by the headmaster). In the event of injectable medications, only the school nurse may administer these medications.

9. Parents/legal guardians are responsible for supplying the school with the medicine, which will be kept in a locked cabinet in the nurse’s office. Medication should be delivered to the school nurse,
headmaster, or headmaster’s designee. Medication will be delivered in a properly labeled bottle which includes the student’s name, medication name, dosage ordered, date of original prescription and the name and telephone number of the prescribing physician. A supply of no more than 30 days of prescription medications will be kept at the school at any one time.

10. All approved plans for prescription medications to be given during school hours expire on the last day of the school year. Any remaining supply may be picked up by a parent/legal guardian.

Guidelines for non-prescription (over-the-counter) medications:

1. Parents/legal guardians of the student must complete a medication form requesting the school’s assistance in administering the medication.
2. Any over-the-counter medications to be given to any student during school hours shall be kept in a locked cabinet in the nurse's office.
3. The medication should be in an appropriately labeled container and be brought in to the school nurse, Headmaster and/or designee.
4. All approved plans for over the counter medications to be given during the school hours expire on the last day of the school year and any remaining supply may be picked up by parent/legal guardian.

Any evidence of the misuse or distribution of non-prescription medication, illegal substances, or other substances being used other than their original intended purposes will result in disciplinary action that can include:

1. detention
2. filing of a report with the Education Committee and the Northwood Chief of Police
3. suspension and/or dismissal

SCHOOL CANCELLATION ANNOUNCEMENT PROCEDURE:
Coe-Brown employs an electronic notification system to make school cancellation and delayed opening announcements. When activated, the system uses information from our school database to telephone the home phone and other listed parent contacts of every student at approximately 6:00 AM. The electronic notification system will automatically try each contact number several times if a call is not completed on the first attempt. It is to the student’s benefit to keep the Academy updated on changes in home and cell phone contact numbers. When activated, the system can literally send telephone messages to all of the Academy’s students in two to three minutes.

On days when weather conditions make it hazardous to hold school, Coe-Brown will also make cancellation announcements on the following TV station:

W.M.U.R. – Manchester, NH – TV 9 (wmur.com)

The schools’ voice mail system will be updated on inclement weather days to provide a recorded message about any delayed openings or school closings. Updated messages are usually recorded by 5:45 a.m. The telephone number is 942-5531.
**DELAYED OPENING:**
The Board of Trustees has approved a delayed opening when it is believed that emergency conditions will abate in a reasonable period of time.

1. A delayed opening will be announced through our electronic notification system and WMUR. A delayed opening will be for 2 hours (120 minutes).
2. If it is necessary to cancel school after a delayed opening has been announced, it will be broadcast through our electronic notification system and WMUR. The decision to cancel will be made not later than 7:50 a.m.

**CBNA WEBSITE:**
Have you visited the Coe-Brown homepage recently? Here you will find a wealth of information about our school. It is updated regularly with athletic schedules, game scores, school notices and on-going events. You will also find a list of teacher e-mail addresses, information links, the school calendar, senior portfolio information, college acceptances and much more. Visit us at www.coebrown.org.

**LUNCH POLICY:**
All students will go to the dining hall, located on the lower level of the science building, for their lunch break. Eating and drinking will not be allowed in any other part of the school.

Students will be allowed to go outside at lunchtime as long as the following rules are adhered to:
1. students may take their lunches outdoors;
2. students must stay in the patio and driveway area immediately outside of the rear of the dining room. They are not to go down the banking to the lake or the shore;
3. students are not to be in the area where cars are parked.

Students who sign out of study hall to go and work with a specific teacher during a day when lunch falls during their study hall will stay with the teacher who wrote the pass and go to the same lunch as the teacher.

**LIBRARY:**
The library is constantly expanding its resources, adding various technology, digital and print materials. We encourage students to utilize all the educational materials available. The library resources include student computers, an online catalog, online databases, eBooks, video cameras, digital voice recorder, and a photocopier.

The library will be open from 7:15 a.m. to 3:30 p.m. every school day. Students wishing to use the library before school in the morning should ask permission of the teacher on duty before going to the library. In order for the library to operate efficiently, the following guidelines will be put into effect:

1. Books will be borrowed for three weeks and may be renewed unless they are on hold for another student;
2. Appropriate materials may be copied on the photocopier located in the library area with
permission of library staff;
3. Students receiving a pass to the library will sign in at the beginning of study hall and remain there for the period; and
4. No disruptive behavior will be allowed in order to insure an atmosphere conducive to educational research.

Library Policies
Being sent out of the library for any reason (forging passes, disruptive behavior, eating, drinking, talking, leaving without permission) will result in the following actions:

- 1st offense – Out of library for 2 weeks
- 2nd offense – Out of library for 4 weeks
- 3rd offense – Out of library for remainder of the year.

Students can still use the library with a class or after school but will not be permitted in the library on his/her own during the school hours.

 STUDY HALL:
Study halls are to be used for working on academics. If a student completes all assigned tasks, it is his/her responsibility to find some type of student activities to utilize his/her time wisely. Students must bring work to study hall with them. Any student not bringing work to a study hall will be sent directly to the Headmaster’s office.

Any students wishing to work with other faculty members will not receive a pass from the study hall teacher but from the appropriate subject teacher. There will be no games or card playing in study halls. We encourage the use of games and student participation at the appropriate times of either before or after school hours.

Music devices may be used in study hall; users must use earphones and the music must not be audible to other students and staff.

The Academy uses two types of regular study halls, Honors and Quiet. Seniors, juniors and sophomores are assigned to a study hall type based upon their conduct and effort ratings each marking term. All freshmen are assigned to quiet study halls for at least the first half of the year. They may earn honors study privileges for second semester.

To qualify for honors study, a student must receive all 1’s and 2’s in effort and conduct. Changes are made only at the beginning of marking terms. Students in honors study have the option of quietly talking and working together during the period while talking is not allowed in the quiet study. Students who qualify for honors study but wish to work in a quiet area may request to be assigned to a quiet study.

Study hall students wishing to go to the library must report directly to the library on time. Students signing into the library will remain there for the period unless they are returning directly to study hall.
PHYSICAL ACTIVITY:  
Coe-Brown encourages all students to take an active part in school and community clubs, organizations and sports programs. Well-rounded students pursue a variety of interests but are careful to keep their commitments in balance with the time needed to be a successful learner.

All students are encouraged to maintain a healthy lifestyle that includes regular physical activity such as sports, games and other forms of exercise.

USING THE TUNNEL:  
Route 4 is an extremely busy and potentially dangerous highway. The tunnel was constructed to allow everyone to access school areas on both sides of the highway safely. Students are expected to use the tunnel whenever it is necessary to cross the highway.

Students should not linger in the tunnel and are asked to make every effort to help keep it clean. Smoking in the tunnel or defacing its surfaces are unacceptable behaviors and will be dealt with accordingly. Failure to use the tunnel when crossing the highway will result in detention and/or other administrative disciplinary action.

VIDEO CAMERAS ON CAMPUS:  
Several areas of the campus are monitored through the use of video cameras and recorders. These are locations where there can be heavy student traffic and direct supervision is not always available or practical. These areas include some parking lots, the tunnel and ramp building, exteriors of several campus buildings, the main building lobby, Smith Hall lobby and the gymnasiums.

VAPING DETECTION SYSTEMS:  
There are several vaping detectors across the Academy’s campus to discourage the use of vaping devices.

PASS SYSTEM:  
In order to comply with the state statues governing supervision and liability for injury, we have a pass system to locate any and all students. Below are listed types of passes and forms and their functions:

1. Utility Pass - written in a student’s agenda book, used to go to the office, school counseling office, bathroom, classroom or specified area.
2. Tardy Slip - is obtained at the office when the student arrives late to school.

POLICY REVIEW:  
As part of the Academy’s continuing efforts to improve, all policies are reviewed annually and more often as changing circumstances suggest.

ACCESS TO STUDENT RECORDS: FERPA

General Statement  
It is the policy of the Coe-Brown Northwood Academy Board of Trustees that all Academy personnel will
follow the procedures outlined herein as they pertain to the maintenance of student records. Furthermore, it is the policy of the Board of Trustees that all Academy personnel will follow the provisions of the Family Educational Rights Privacy Act (FERPA) and its corresponding regulations.

**Education Record**
For the purposes of this policy and in accordance with FERPA, the term “educational record” is defined as all records, files, documents and other material containing information directly related to a student; and maintained by the Academy; or by such other agents as may be acting for the Academy. Such records include, but are not limited to, handwriting, videotape, audiotape, electronic or computer files, film, print, microfilm and/or microfiche.

**Directory Information**
For the purposes of this policy, and in accordance with the provisions of FERPA and New Hampshire RSA 189:1-e, the term “directory information” means:

- Student’s name, address, telephone number, date and place of birth, dates of enrollment
- Parents’/Guardians’ name and address
- Students’ grade level, enrollment status and dates of attendance
- Students’ photograph
- Students’ participation in recognized school activities and sports
- Weight and height of members of athletic teams
- Students’ diplomas, certificates, awards and honors received

Coe-Brown Northwood Academy (Coe-Brown) may release or disclose student directory information without prior consent of the student’s parents/eligible students. Prior to the start of each school year, Coe-Brown will provide notice to parents/eligible students that Coe-Brown may publish directory information without their prior consent. Parents/eligible students will be given a date to be determined annually by the Headmaster to notify Coe-Brown to release or disclose. Notice from a parent/eligible student that any or all directory information shall not be released will only be valid for that school year and must be re-issued each school year unless the student is no longer in attendance in which case the request shall remain in effect until the parent or student rescinds it.

**Personally Identifiable Information**
“Personally identifiable information” is defined as data or information which makes the subject of a record known, including a student’s name the student’s or student’s family’s address; the name of the student’s parent or other family members; a personal identifier such as a student’s Social Security number; the student’s date of birth, place of birth, or mother’s maiden name; or other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances to identify the student with a reasonable certainty or information requested by a person who Coe-Brown reasonably believes knows the identity of the student to whom the education record relates.

**Annual Notification/Rights of Parents and Eligible Students**
Prior to the start of each school year Coe-Brown will publish notice to parents and eligible students of
their rights under State and Federal law and this policy. Coe-Brown will send home with each student a notice listing these rights. The notice will include:

The rights of parents or eligible students to inspect and review the student’s education records;

1. The intent of Coe-Brown to limit the disclosure of information in a student’s record, except:
   (a) the prior written consent of the parent or eligible student;
   (b) as directory information; or
   (c) under certain, limited circumstances as permitted by law;

2. The right of a student’s parents or an eligible student to seek to correct parts of the student’s educational records which he/she believes to be inaccurate, misleading, or in violation of student rights; this includes a hearing to present evidence that the records should be changed if Coe-Brown decides not to alter them according to the parent’s or eligible student’s request;

3. The right of any person to file a complaint with the United States Department of Education if Coe-Brown violates FERPA; and

4. The procedure that a student’s parents or an eligible student should follow to obtain copies of this policy.

Procedure to Inspect Education Records

- Parents or eligible students may inspect and review education records which they are entitled to. In some circumstances, it may be more convenient for the Headmaster and/or his or her designee to provide copies of records.
- Since the student’s records may be maintained in several offices, the Headmaster may off to collect copies of records or the records themselves, so that they may be inspected at one site. If parents and eligible students wish to inspect records where they are maintained, the Headmaster will determine if a review at that site is reasonable.
- Parents/eligible students should submit to the Headmaster a written request that identifies as precisely as possible the record or records that he/she wishes to inspect. The Headmaster will contact the parents or the eligible student to discuss how access is best arranged for their inspection or review of the records (copies, date, etc.).
- The Headmaster will make the needed arrangements as soon as possible and notify the parent or eligible student of the time and place where the records may be inspected. This procedure must be completed within 30 days or earlier after the Headmaster’s receipt of the request for access.
- If for any valid reason such as working hours or health, a parent or eligible student cannot personally inspect and review a student’s education records, the Headmaster may arrange for the parent or eligible student to obtain copies of the records.
- When records contain information about students other than a parent’s child or the eligible student, the parent or eligible student may not inspect and review the records of the other students. If such records do contain the names of other students, the Headmaster and/or Coe-Brown’s attorney will determine how best to proceed.

Procedures to Seek Correction of Education Record

Parents of students or eligible students have a right to seek to change any part of the student’s records which they believe is inaccurate, misleading or in violation of student rights. To establish an orderly process to review and correct the education records for a requester, the following processes have been
When a parent or eligible student finds an item in the student’s education record that he/she believes is inaccurate, misleading or in violation of student rights, he/she should submit a written request asking the Headmaster to correct it. If the records are incorrect because of clear error and it is a simple matter to make the change, the Headmaster should make the correction. If the records are changed to the parent’s/eligible student’s satisfaction, both parties shall sign a document/form stating the date the records were changed and that the parent/eligible student is satisfied with the correction.

If the Headmaster determines the records will not be amended, he/she will notify the parents/eligible student in writing of his/her decision. Such letter will also notify the parents/eligible student of their right to an appeal hearing before the Coe-Brown Northwood Academy Board of Trustees.

If the parents or eligible student are not satisfied with the Headmaster’s decision, they may submit a written request for a hearing before the Coe-Brown Northwood Academy Board of Trustees. The parents/eligible student shall submit the request for a hearing with the Headmaster within ten (10) business days of the Headmaster’s written decision. The Headmaster will inform the Board of Trustees of the request for a hearing and will work with the Board of Trustees to schedule a hearing within 45 days of receipt of the request. Once the meeting is scheduled, the Headmaster will inform the parents in writing of the date, time and place of the hearing.

The hearing will be held in non-public session. The Coe-Brown Northwood Academy Board of Trustees will give the parent/eligible student a full and fair opportunity to present evidence relevant to the issues raised under their request/complaint. Parents/eligible students may be assisted or represented by one or more individuals of their own choice, including an attorney.

The Coe-Brown Northwood Academy Board of Trustees will issue its final decision in writing within 30 days of the hearing, and will notify the parents/eligible student thereof via certified mail, return receipt requested. The Board of Trustees will base its decision solely on the evidence presented at the hearing. The Board of Trustees written decision will include a summary of the evidence and the reasons for its decision.

If the Coe-Brown Northwood Academy Board of Trustees determines that the student record should be changed or amended, it will direct the Headmaster to do so as soon as possible. The Headmaster will then contact the parents/eligible student for a meeting so they can review and inspect the records to verify that they have been changed or amended. At this meeting, both parties shall sign a document/form stating the date the records were changed and that the parent/eligible student is satisfied with the correction.

The Coe-Brown Northwood Academy Board of Trustees’ decision will be final.

**Disclosure of Student Records and Student Information**

In addition to directory information, Coe-Brown may disclose student records and student information without consent to the following parties or under the following conditions.

1. School officials with a legitimate educational interest may access student records. “Legitimate education interest” refers to the school officials or employees who need to know information in a student’s education record in order to perform the employee’s employment responsibilities and duties.
2. Other schools into which a student is transferring or enrolling.
3. Officials for audit or evaluation purposes.
5. Organizations conducting certain studies for, or on behalf of the Academy. Student records or student information will only be provided pursuant to this paragraph if the study is for the purpose of: developing, validating or administering predictive tests; administering student aid programs; or improving instruction.
6. Accrediting organizations.
7. Judicial orders or lawfully issued subpoenas.
8. This information may be used by the Academy in its print and online publications and releases.
9. The Academy does not sell or provide lists of directory information to any commercial operations beyond a small group of select companies contracted to provide services to Coe-Brown students. This list includes the yearbook photographers and publishers and the selected companies that provide Coe-Brown clothing, senior graduation materials and class rings.

Maintenance of Student Records and Data
The Headmaster is responsible for record maintenance, access and destruction of all student records. All Academy personnel having access to records shall place great emphasis upon privacy rights of students and parents.

All entries into student records must be dated and signed by the person accessing such records. The Headmaster will ensure that all records are maintained in accordance with application retention schedules as may be established by law.

Presently, Coe-Brown maintains cumulative records for seven years, after which the cumulative record is destroyed. Official transcripts for all students that are securely stored on and off campus are never destroyed.

Special Education Records
In accordance with the State of New Hampshire laws, special education records are the responsibility of the LEA district within which the student resides. The LEA is responsible to maintain these records until the student turns 25. The LEA must maintain a copy of the last IEP that was in effect prior to the student’s exit from special education until the student’s 60th birthday.

Disclosures Made from Education Records
Coe-Brown will maintain an accurate record of all requests for it to disclose information from, or to permit access to, a student’s education records and of information it discloses and access it permits. This record does not include requests for access from the student, parent, school officials, or if accompanied by prior written consent of parent or student. This record is kept with, but is not a part of, each student’s cumulative school records. It is available only to the Headmaster and/or his or her designee, the eligible
The record includes:

1. The name of the person who or agency which made the request;
2. The interest which the person or agency has in the information;
3. The date on which the person or agency made the request;
4. Whether the request was granted and, if it was, the date access was permitted or the disclosure was made; and
5. In the event of a health and safety emergency, the articulable and significant threat to the health or safety of a student or other individuals that formed the basis for the disclosure; and the parties to whom the agency or institution disclosed the information.

WORKING PAPERS:
Coe-Brown Academy does not issue working papers. Northwood, Strafford and Nottingham students may get them at the Superintendent of Schools Office, S.A.U. #44, 23A Mountain Ave, in Northwood. Barrington students may get them at Barrington S.A.U. #74, 572 Calef Highway, Barrington, NH.

ACADEMIC INTEGRITY POLICY:
It is a significant concern addressed in Coe-Brown’s mission to encourage high academic standards, personal responsibility, and mutual respect. High academic standards includes supporting educational and intellectual growth, creating a fair learning environment, and approaching educational experiences with ethical and personal ownership over one’s learning. This approach requires students to complete and submit work that is completely their own and requires a significant concern for academic integrity.

Members of the Coe-Brown community are aware that pressure to achieve high grades can create stress for students. However, cheating works against all efforts of the Academy’s mission, fails to achieve educational goals, undermines the integrity of the hard work of teachers and students, and is harmful to a student’s integrity. The Academy works with students to create a balanced, thoughtful schedule. The expectations of meeting our academic integrity requirements affirms that Coe-Brown values intellectual honesty in all academic work.

In specific, academic integrity means valuing intellectual honesty, personal truthfulness, the benefits of learning, and acknowledgement of the creations and opinions of others. This means that students

• Take full credit for their own work and give full credit to others who have helped, influenced, or contributed to submitted work.
• Represent their own work honestly and accurately.
• Collaborate with others only within the scope acceptable and as designed
  by the teacher.
• Report any violations of this policy to a teacher, counselor, or administrator.

There are several differences in how this policy may be violated. They include, but are not limited to
the following:

**Cheating:** Cheating includes, but is not limited to, copying or giving an assignment to a student to be
copied. It may also include using, supplying, or communicating in any way unauthorized materials,
including textbooks, notes, calculators, computers, or unauthorized technology, during an exam,
project, or assignment. This also includes asking about or sharing answers on assessments.

**Unauthorized Collaboration:** This includes working with a student on a submitted assignment for
which the teacher has not given express permission for joint efforts.

**Plagiarism:** Plagiarism is considered to be literary theft and is the taking and using from the work of
another and representing it as work of one’s own. This can include copying entire papers or essays or
even sentences and paragraphs. ANY time another’s work is used, it must be correctly cited using the
format outlined in the CBNA Style Sheet or specified by the teacher.

**Forgery or Stealing:** This includes, but is not limited to, gaining unauthorized access to exams or
answers to exams, altering computer records, or forging signatures for the purposes of academic
advantage. In addition, this includes accessing online resources not intended for student use including
answer keys, teachers’ editions, or translation tools.

All members of the school community play a part in upholding expectations of academic integrity. These
include the following:

**Students:** It is the responsibility of students to read, know, and follow all aspects of the Academic
Integrity Policy. This includes monitoring their own behavior as well as reporting any dishonest
behavior of others. While there may be great temptation at times to violate this expectation, students
must understand the great disservice they do to themselves by behaving dishonestly.

**Teachers:** All classroom teachers must be clear in their expectations of student work, specifying when
and to what extent student collaboration is allowed. In addition, assignments should be designed to limit
possibilities for academic dishonesty. Teachers will monitor testing situations closely and will be
diligent in their review of student work.

**Parents:** It is important that parents support student efforts while valuing academic integrity. Their
assistance with student work must ensure that the work submitted is truly student work. In addition,
expectations for student success should never take priority over a student’s integrity.
**Administration:** Administration will make the expectations of academic integrity available to students, faculty, and parents via the Student Handbook. In addition, Administration will promote and facilitate ongoing conversations and expectations in regard to student assessment and challenges to academic integrity. Administration will promote fair and consistent consequences for any violations of this expectation.

**VIOLATIONS AND CONSEQUENCES:**

Teachers and administration will use professional judgment to determine whether a violation of the Academic Integrity Policy has taken place.

Consequences of any violations of this policy will include, but is not limited to, all of the following:

- Automatic “3” or “4” in conduct for the term.
- Automatic teacher detention for the first violation, administrative referral for subsequent violations (resulting in Saturday Schools or escalated consequences as determined by administration).
- Automatic parent contact (via phone or in person) and notification to counselor, and in-person explanation to student.
- A zero given for a minor/formative assessment or a reduced grade on a “redo” for a major/summative assessment.
- Notification by school counselor to any honor society advisors who will administer consequences based on their individual procedures and by-laws.
- Letter indicating a violation of the Academic Integrity Policy will be sent to parents and will be placed in student’s file.
- Right of the teacher to deny letters of recommendation for the student.

Please note that based on the seriousness of the violation, consequences may include school suspensions, a formalized meeting with the Education Committee, or expulsion from school in the most extreme cases. In addition, continued minor violations of this policy may also escalate consequences to the extent stated prior.

**HOMEWORK POLICY:**

Definition of Homework:

A method of developing skills and knowledge through the use of student oriented experiences that may be an integral part of in-class activities but is generally considered to be completed outside of the class schedule.

The philosophy of Coe-Brown Northwood Academy is that homework:

1. reinforces daily, in-class activities;
2. is a possible prelude to upcoming class activities;
3. is a means to allow students to organize thoughts and thought processes;
4. provides an added means for sequential skill development;
5. provides an outlet for student creativity;
6. is a forum for students to develop positive self-image and confidence in own abilities;
7. is an opportunity to develop work ethic and job work skills and habits; and
8. is a reinforcement of study skills.

Getting homework passed in is the responsibility of the student. It is his/her responsibility to make-up the missed assignments and class work.

Failure to complete homework -

- **The fourth** unsatisfactory assignment during a marking term will result in a teacher assigned detention for the purpose of making up that assignment. The length of time will be 30 minutes or until the latest unsatisfactory assignment is completed to the teacher’s satisfaction, whichever is longer. The date and time (before or after school) of the detention is to be served at the teacher’s discretion.

- **The fifth** unsatisfactory assignment will result in an administrative detention.

- **The sixth** unsatisfactory assignment will result in a Saturday, in-school suspension from 8AM to 12PM.

Any further problems completing assigned assignments can result in an appearance before the Education Committee of the Board of Trustees.

A missed assignment is an assignment not passed in at the beginning of class. An unsatisfactory assignment may include any missing, late, incomplete work or any material not completed to the teacher’s satisfaction. Students will make-up any missed work in a timely manner under the supervision of the classroom teacher.

**INFORMATION TECHNOLOGY – ACCEPTABLE USE AGREEMENT:**
Coe-Brown provides students access to an unlimited world of information through the internet. In order to use the Academy’s information technology resources for non-class time purposes, students and their parent/guardians each year must agree to the contents, sign and return an Acceptable Use Agreement. Students who do not do so will still be able to use information technology in situations under the direct supervision of their classroom teachers but will not have the freedom to use the library or other school owned computer/information technology in non-directly supervised situations.

By signing the Acceptable Use Agreement, students agree to use the school-provided opportunities as described in the agreement. Inappropriate uses of the school’s information technology resources could result in Academy administrative review and disciplinary action and/or legal prosecution.

**NETBOOK REPAIRS AND LOANERS**
Students who have operational problems with their netbooks must bring them to the Library Media
Center. The IT staff will repair any netbook with issues and potentially bill for any student-caused damages as per the Acceptable Use Policy. Students will be given a loaner netbook to use while their malfunctioning netbook is being repaired if needed. Most repairs will be completed during the same day, so the student can return to the Library Media Center to turn in the loaner netbook and retrieve their own. If a repair takes longer than a day, the student will be allowed to take the loaner netbook home. If a loaner is not returned when agreed upon, and the student does not return the loaner netbook, the student will receive disciplinary consequences including warnings, communications home to parent/guardians, and/or a detention with the IT staff. If continued disciplinary action is needed due to the loaner netbook not being returned, the student will receive Saturday School in-school suspensions until the loaner netbook is returned.

**TRANSGENDER AND GENDER NON-CONFORMING STUDENTS:**
Coe-Brown Northwood Academy policy requires that all programs, activities, and employment practices be free from discrimination based on sex, sexual orientation, or gender identity. This policy is designed to create a safe learning environment for all students and to ensure that every student has equal access to all school programs and activities.

The Academy’s policy sets out guidelines for the school and staff to address the needs of transgender and gender non-conforming students and clarifies how state law should be implemented to protect the legal rights and safety of all students. This policy does not anticipate every situation that might occur with respect to transgender or gender non-conforming students, and the needs of each transgender and non-conforming student will be assessed on a case-by-case basis. In all cases, the goal is to ensure the safety, comfort, and healthy development of the transgender or gender non-conforming student while maximizing the student’s social integration and minimizing stigmatization of the student.

Students and families with questions regarding this issue are encouraged to contact their school counselor.

**WEAPONS POLICY:**
All students should have the expectation of being safe while at school. No student who is in fear for his or her physical safety can effectively concentrate on learning. Students have the right to a school that is a safe and healthful place to gain an education. The environment provided to the students will be clean and free of hazards.

No one shall possess a dangerous weapon on Academy grounds except as specifically provided below. This includes all Academy buildings, athletic fields, parking lots and forest areas. Anyone who knowingly possesses or goes armed with a dangerous weapon on school premises is subject to appropriate police action.

The Board of Trustees defines dangerous weapons as a gun, knife, razor, karate stick or implement, metal knuckle, firecracker or other explosive device, anti-personal spray such as Mace or a similar irritant or any other object or material which by the manner in which it is used or intended to be used, is capable of inflicting bodily harm. “Toy guns” and other facsimiles of weapons used to create a feeling of intimidation will be treated as if they were real.
Law enforcement officers will be contacted as soon as possible if there is time in a given weapon situation and if there is not an immediate threat to safety. If there is not time or if the situation warrants immediate action, school staff should act to ensure maximum safety.

Any dangerous weapon(s) taken from a student will be reported to the student’s parent/guardian. Disciplinary measures taken will be the responsibility of the Headmaster and may include immediate suspension or expulsion. Students found to cause an incident may be held financially liable for any costs that may be incurred by the Academy resulting from the student’s action. The Headmaster may also report any situation to the appropriate police agency.

Any student who knows of a weapon in school and does not report it will be considered equally responsible for the presence of the weapon and will face disciplinary action up to and including the possibility of immediate expulsion.

The following are exceptions to this policy:
1. Weapons under the control of law enforcement personnel are permitted;
2. Weapons that are registered and handled in a legal manner for the purpose of education may be authorized by the Headmaster; and
3. Weapons properly registered with Coe-Brown Northwood Academy and handled during an approved community use of the school facilities may be permitted.

SUBSTANCE ABUSE POLICY:
The impact of drugs, tobacco, alcoholic beverages and other abused substances present serious health and safety concerns for all members of the Coe-Brown community. In light of the damaging effect of these materials, Coe-Brown Northwood Academy will take strong steps to ensure the well-being of all students and staff members.

The counseling services of Coe-Brown shall be available to any member of the student body, staff, or the parents or guardians of students, for the purposes of providing to such person literature on chemical abuse, discussing potential problems related thereto, or furnishing references to those people seeking the assistance of outside professional help on such matters. Policies of Coe-Brown regarding drugs, tobacco, alcohol, mood altering substances, and drug paraphernalia, including vaping devices, shall be made known to students, staff, parents and guardians, and copies of these shall be made available as warranted. Instruction on the physical, mental, and social damages from controlled substances and from over-the-counter substances used incorrectly shall continue to be emphasized in the curriculum. Students and staff of the Academy shall be encouraged to participate within the school and in the community in activities regarding chemical abuse.

New Hampshire State Law prohibits smoking by anyone any place on school grounds including buildings, parking lots, athletic fields, and other areas. The law also prohibits the possession of tobacco products, vaping devices, and liquid nicotine by people under 18 years of age. Any student found smoking, be it tobacco, a vaping device, or other material, or using liquid nicotine at school or at a school sponsored
event will face in-school suspension or other disciplinary action and will be reported to the Northwood Police Department for further possible action. Possession of tobacco, vaping devices, or liquid nicotine by students under 18 years of age will also be reported to the Northwood Police Department.

Any evidence of the use, possession, control, sale, or being under the influence of any alcoholic beverage, drug, or mood altering substances or the possession, use, sale, or dealing of drug paraphernalia or vaping devices by a student on or about school grounds, or at school sponsored activities is a serious situation and the actions taken by the Headmaster and the Board of Trustees will reflect the seriousness of this problem. Actions up to and including expulsion and reporting to the Northwood Police will be taken.

The Headmaster and/or Assistant Headmasters are authorized to conduct searches on the campus for the purpose of identifying the presence of any controlled substance, any non-controlled substance being abused, or drug paraphernalia in any building, office, classroom, locker, storage space, or in any vehicle present on the campus. The Headmaster and/or Assistant Headmasters, in cooperation with law enforcement, or other authorized individuals, may employ any technical means, including the use of trained dogs, in announced or unannounced searches.

All instances of alleged use, being under the influence, possession, control, sale or dealing in drugs, tobacco, alcohol, other mood altering substance or drug paraphernalia shall be reported to the Education Committee of the Board of Trustees and the police. Such confirmed instances and the evidence related thereto shall be kept confidential by the receiving parties, and shall not be divulged to any unauthorized person not directly involved in subsequent actions, or on a need-to-know basis. Parents and guardians of students involved with confirmed instances of use, being under the influence, possession, control, sale, or dealing in controlled substances, of other materials used to abuse or possession of drug paraphernalia or vaping devices shall be advised of the circumstances and evidence related thereto.

**OFF-CAMPUS BEHAVIOR OF STUDENTS:**
The Board of Trustees of Coe-Brown Northwood Academy is committed to providing a positive learning and working environment at Coe-Brown Northwood Academy. The Board recognizes that off-campus behavior has the potential to have a negative impact on the school and its ability to meet its goals.

To this end, the Board reserves the right to evaluate off-campus behavior of students when such behavior is deemed to be a threat to the public or will have a significant negative impact on the learning or working environment at the school. Disciplinary action, taken after proper investigation and hearings may include probationary attendance, suspension, dismissal or withdrawal of authorization to re-enroll. Actions taken under this policy shall be subject to review by counsel, as deemed necessary.

**THEFT:**
All students are strongly urged to take appropriate steps to protect their personal items and the school materials in their keeping. Valuables should not be left in lockers or in other unsecured places. Students are asked to report any suspicious activities to school staff as soon as possible.

The taking, damaging, destroying or disturbing of other people’s property cannot be tolerated. Appropriate
disciplinary action, depending on the severity of the situation, will be taken. Actions may include administrative detention, in-school or out-of-school suspension and/or referral to the Education Committee for their review and possible action. A police report may also be filed.

Any other activity, that by its nature could be considered a crime, will be dealt with seriously. Actions up to expulsion and the filing of criminal charges will be considered.

**DISCRIMINATION COMPLAINT AND GRIEVANCE PROCEDURE MEMORANDUM**
Coe-Brown Northwood Academy does not discriminate in its educational programs, activities or employment practices on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, or handicap under the provisions of Title VI of the Civil Rights Act of 1964, the Education for the Handicapped Children Act of 1975, the Age Discrimination Act of 1967, Title IX of the Education Amendments of 1972, and section 504 of the rehabilitation Act of 1973.

Inquiries, complaints, and other communications relative to this policy and any of the relative to this policy and any of the aforementioned public laws and federal regulations concerned with non-discrimination on the basis of race, color, national origin, age, sex, sexual orientation, gender identity, or handicap shall be addressed to the headmaster or to the following person designated for this area-

**For concerns with athletics:**
Mr. Samuel Struthers, Athletic Director
Coe-Brown Northwood Academy
907 First NH Turnpike
Northwood, NH 03261
603-942-5531

**All other areas of concern**
Mrs. Shany Grenier, Director of Counseling
Coe-Brown Northwood Academy
907 First NH Turnpike
Northwood, NH 03261
603-942-5531

The above-mentioned has been designated by the Board of Trustees to coordinate the Academy’s efforts to comply with the public laws and regulations. Any complaints or alleged infractions of the policy, law, or applicable regulations will be processed through the following grievance procedure.

**COMPLAINT AND GRIEVANCE PROCEDURE**

1. Any complaint from or on behalf of any person employed or served by the school district shall be communicated to the designated person in your immediate area.
2. The designee shall investigate the complaint, and attempt to resolve the issue.
3. If the issue is not resolved, the complaint shall be reduced to writing and submitted to the Headmaster who will consider the evidence provided by the aggrieved and designee and rule on any corrective action, if necessary.
4. Any appeal from the decision of the Headmaster may be taken to the Board of Trustees within ten days, and the Board will render a decision within sixty days of the appeal, after hearing evidence in the case.
5. Appeal from the Board of Trustees decision may be brought within ten days to the Assistant Secretary of Civil Rights, US Department of Education or the Director, US Department of Education, Office for Civil Rights, Region I, Boston, Massachusetts.
REHABILITATION ACT OF 1973: POLICY FOR NON-DISCRIMINATION ON THE BASIS OF HANDICAP:

It is the intent of Coe-Brown Northwood Academy that the Board and its employees will not discriminate against any intended beneficiaries of statutory protection (including but not limited to students, employees, parents, guardians, other members of the community or applicants for employment or admission) on the basis of handicap in the admission and access to, or treatment and employment in, any of the Coe-Brown Northwood Academy programs and activities, policies, procedures and practices, as and to the extent provided by law.

Coe-Brown Northwood Academy recognizes its responsibility to identify students who are qualified handicapped persons under Section 504 of the Rehabilitation Act of 1973, and to provide them regular and/or special education and related aids and services that are designed to meet their individual educational needs as adequately as the needs of non-handicapped students are met.

Procedures to carry out this policy will be developed and revised by the Headmaster and his/her designees as needed.

Inquiries, complaints, and other communications relative to this policy shall be addressed to the headmaster or to the following person designated for this area:

Mrs. Shanyn Grenier, Director of Counseling
Coe-Brown Northwood Academy
907 First NH Turnpike
Northwood, NH 03261 (603) 942-5531

PUPIL SAFETY AND VIOLENCE PREVENTION: Bullying

I. Definitions (RSA 193-F:3)
1. Bullying. Bullying is hereby defined as a single significant incident or a pattern of incidents involving a written, verbal or electronic communication, or a physical act or gesture, or any combination thereof, directed at another pupil which:

   (1) Physically harms a pupil or damages the pupil’s property;
   (2) Causes emotional distress to a pupil;
   (3) Interferes with a pupil’s educational opportunities;
   (4) Creates a hostile educational environment: or
   (5) Substantially disrupts the orderly operation of the school

Bullying shall also include actions motivated by an imbalance of power based on a pupil’s actual or perceived personal characteristics, behaviors or beliefs, or motivated by the pupil’s association with another person based on the other person’s characteristics, behaviors or beliefs.
2. **Cyberbullying.** Cyberbullying is defined as any conduct defined as “bullying” in this policy that is undertaken through the use of electronic devices. For purposes of this policy, any references to the term bullying shall include cyberbullying.

3. **Electronic Devices.** Electronic devices include, but are not limited to, telephones, cellular phones, computers, pagers, electronic mail, instant messaging, text messaging, and websites.

4. **School Property.** School property means all real property and all physical plant and equipment used for school purposes, including public or private school buses or vans.

Any reference in this policy to “parent” shall include parents or legal guardians.

**II. Statement Prohibiting Bullying or Cyberbullying of a Pupil (RSA 193-F:4, II(a))**

The Board of Trustees is committed to providing all pupils a safe and secure school environment. This policy is intended to comply with RSA 193-F. Conduct constituting bullying and/or cyberbullying will not be tolerated and is hereby prohibited.

Further, in accordance with RSA 193-F:4, Coe-Brown Northwood Academy reserves the right to address bullying and, if necessary, impose discipline for bullying that:

1. Occurs on, or is delivered to, school property or a school-sponsored activity or event on or off school property; or

2. Occurs off of school property or outside of a school-sponsored activity or event, if the conduct interferes with a pupil’s educational opportunities or substantially disrupts the orderly operations of the school or school-sponsored activity or event.

The Headmaster is responsible for ensuring that this policy is implemented.

**III. Statement Prohibiting Retaliation or False Accusations (RSA 193-F:4, II(b))**

**False Reporting**

A student found to have wrongfully and intentionally accused another of bullying may face discipline or other consequences, ranging from positive behavioral interventions up to and including suspension or expulsion.

A school employee found to have wrongfully and intentionally accused a student of bullying shall face discipline or other consequences will be determined in accordance with applicable law and Coe-Brown Northwood Academy policies.

**Reprisal or Retaliation**

Coe-Brown Northwood Academy will discipline and take appropriate action against any student, teacher, administrator, volunteer or other employee who retaliates against any person who makes a good faith report of alleged bullying or against any person who testifies, assists or participates in a proceeding or
hearing relating to such bullying.

1. The consequences and appropriate remedial action for a student, teacher, school administrator or school volunteer who engages in reprisal or retaliation shall be determined by the Headmaster or designee after consideration of the nature, severity and circumstances of the act, in accordance with law, Board of Trustees policies and any applicable collective bargaining agreements.

2. Any student found to have engaged in reprisal or retaliation in violation of this policy shall be subject to measures up to, and including, suspension and expulsion.

3. Any teacher or school administrator found to have engaged in reprisal or retaliation in violation of this policy shall be subject to discipline up to, and including, termination of employment.

4. Any school volunteer found to have engaged in reprisal or retaliation in violation of this policy shall be subject to measures up to, and including, exclusion from school grounds.

Process to Protect Pupils from Retaliation
If the alleged victim or any witness expresses to the Headmaster, designee or other staff member that he/she believes he/she may be retaliated against, the Headmaster or designee shall develop a process or plan to protect that student from possible retaliation.

Each process or plan may be developed on a case-by-case basis. Suggestions include, but are not limited to, re-arranging student class schedules to minimize their contact, stern warnings to alleged perpetrators, temporary removal of privileges or other means necessary to protect against possible retaliation.

IV. Protection of all Pupils (RSA 193-F:4, II(c))
This policy shall apply to all pupils and school-aged persons on school district grounds and participating in school district functions, regardless of whether or not such pupil or school-aged person is a student within the district.

V. Disciplinary Consequences for Violation of this Policy (RSA 193-F:4, II(d))
The district reserves the right to impose disciplinary measures against any student who commits an act of bullying, falsely accuses another student of bullying, or retaliates against any student or witness who provides information about an act of bullying.

In addition to imposing discipline under such circumstances, the Board encourages the administration and school district staff to seek alternatives to traditional discipline, including but not limited to early intervention measures, alternative dispute resolution, conflict resolution and other similar measures.

VI. Distribution and Notice of this Policy (RSA 193-F:4, II(e))
Staff and Volunteers
All staff will be provided with a copy of this policy annually. The Headmaster may determine the method of providing the policy (employee handbook, hard copy, e-mail, etc.)
The Headmaster will ensure that all school employees and volunteers receive annual training on bullying and related Coe-Brown Northwood Academy policies.

Students
All students will be provided with a copy of this policy annually. The Headmaster may determine the method of providing the policy (student handbook, mailing, e-mailing, hard copy, etc.)

Students will participate in an annual education program which sets out expectations for student behavior and emphasizes an understanding of harassment, intimidation and bullying of students. Coe-Brown Northwood Academy’s prohibition of such conduct and the reasons why the conduct is destructive, unacceptable, and will lead to discipline. Students shall also be informed of the consequences of bullying conduct toward their peers.

The Headmaster, in consultation with staff, may incorporate student anti-bullying training and education into the school’s curriculum, but shall not be required to do so.

Parents
All parents will be provided with a copy of this policy annually. The Headmaster may determine the method of providing the policy (student handbook, mailing, e-mailing, etc.). Parents will be informed of the program and the means for students to report bullying acts toward them or other students. They will also be told that to help prevent bullying at school they should encourage their children to:

1. Report bullying when it occurs;
2. Take advantage of opportunities to talk to their children about bullying;
3. Inform the school immediately if they think their child is being bullied or is bullying other students;
4. Cooperate fully with school personnel in identifying and resolving incidents.

Additional Notice and Coe-Brown Northwood Academy Programs
The Board of Trustees may, from time to time, host or schedule public forums in which it will address the anti-bullying policy, discuss bullying in the schools and consult with a variety of individuals including teachers, administrators, school counselors, other school personnel and other interested persons.

VII. Procedure for Reporting Bullying (RSA 193-F:4, II(f))
The Headmaster shall be responsible for receiving complaints of alleged violations of this policy.

Student Reporting
1. Any student who believes he or she has been the victim of bullying should report the alleged acts immediately to the Headmaster or designee. If the student is more comfortable reporting the alleged act to a person other than the Headmaster or designee, the student may tell any school employee or volunteer about the alleged bullying.
2. Any school employee or volunteer who witnesses, receives a report of, or has
knowledge or belief that bullying may have occurred shall inform the Headmaster or designee as soon as possible, but no later than the end of that school day.

3. The Headmaster or designee may develop a system or method for receiving anonymous reports of bullying. Although students, parents, volunteers and visitors may report anonymously, formal disciplinary action may not be based solely on an anonymous report. Independent verification of the anonymous report shall be necessary in order for any disciplinary action to be applied.

4. The administration may develop student reporting forms to assist students and staff in filing such reports. An investigation shall still proceed even if a student is reluctant to fill out the designated form and chooses not to do so.

5. Upon receipt of a report of bullying, the Headmaster or designee shall commence an investigation consistent with the provisions of Section XI of this policy.

Staff Reporting
1. An important duty of the staff is to report acts or behavior that they witness that appears to constitute bullying.

2. All Coe-Brown Northwood Academy employees and volunteers shall encourage students to tell them about acts that may constitute bullying. For young students, staff members may provide direct assistance to the student.

3. Any school employee or volunteer who witnesses, receives a report of, or has knowledge or belief that bullying may have occurred shall inform the Headmaster or designee as soon as possible, but no later than the end of that school day.

4. Upon receipt of a report of bullying, the Headmaster or designee shall commence an investigation consistent with the provisions of Section XI of this policy.

VIII. Procedure for Internal Reporting Requirements (RSA 193-F:4, II(g))
In order to satisfy the reporting requirements of RSA 193-F:6, the Headmaster or designee shall be responsible for completing all New Hampshire Department of Education forms and reporting documents of substantiated incidents of bullying. Said forms shall be completed within 10 school days of any substantiated incident. Upon completion of such forms, the Headmaster or designee shall retain a copy.

IX. Notifying Parents of Alleged Bullying (RSA 193-F:4, II(h))
The Headmaster or designee shall report to the parents of a student who has been reported as a victim of bullying and to the parents of a student who has been reported as a perpetrator of bullying with 48 hours of receiving the report. Such notification may be made by telephone, writing or personal conference. The date, time, method and location (if applicable) of such notification and communication shall be noted in the report. All notifications shall be consistent with the student privacy rights under the applicable provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA).

X. Waiver of Notification Requirement (RSA 193-F:4, II(i))
The Headmaster may, within a 48-hour time period, grant the designee a waiver from the requirement that the parents of the alleged victim and the alleged perpetrator be notified of the filing of a report. A waiver
may only be granted if the Headmaster or designee deems such a waiver to be in the best interest of the victim or perpetrator. Any waiver granted shall be in writing.

XI. Investigative Procedures (RSA 193-F:4, II(j))

1. Upon receipt of a report of bullying, the Headmaster or designee shall, within 5 school days, initiate an investigation into the alleged act. If the Headmaster is directly and personally involved with a complaint or is closely related to a party to the complaint, then the Board of Trustees shall direct another Coe-Brown Northwood Academy employee to conduct the investigation.

2. The investigation may include documented interviews with the alleged victim, alleged perpetrator and any witnesses. All interviews shall be conducted privately, separately and shall be confidential. Each individual will be interviewed separately and at no time will the alleged victim and perpetrator be interviewed together during the investigation.

3. If the alleged bullying was in whole or in part cyberbullying, the Headmaster or designee may ask students and/or parents to provide Coe-Brown Northwood Academy with printed copies of e-mails, text messages, website pages or other similar electronic communications.

4. A maximum of 10 school days shall be the limit for the initial filing of incidents and completion of the investigative procedural steps.

5. Factors the Headmaster or other investigator may consider during the course of the investigation, including but not limited to:

   a. Description of incident, including the nature of the behavior;
   b. How often the conduct occurred;
   c. Whether there were past incidents or past continuing patterns of behavior;
   d. The characteristics of parties involved, (name, grade, age, etc.);
   e. The identity and number of individuals who participated in bullying behavior;
   f. Where the alleged incident(s) occurred;
   g. Whether the conduct adversely affected the student’s education or educational environment;
   h. Whether the alleged victim felt or perceived an imbalance or power as a result of the reported incident; and
   i. The date, time and method in which parents or legal guardians of all parties involved were contacted.

6. The Headmaster or designee shall complete the investigation within 10 school days of receiving the initial report. If the Headmaster or designee needs more than 10 school days to complete the investigation, the Board of Trustees may grant an extension of up to 7 school days. In the event such extension is granted, the Headmaster or designee shall notify in writing all parties involved of the granting of the extension.

7. Whether a particular action or incident constitutes a violation of this policy shall require a determination based on all facts and surrounding circumstances and shall include recommended remedial steps necessary to stop the bullying and a written final report to the Headmaster.

8. Students who are found to have violated this policy may face discipline in accordance with other applicable Board policies, up to and including suspension. Students facing discipline will be
afforded all due process required by law.

XII. Response to Remediate Substantiated Instances of Bullying (RSA 193-F:4, II(k))
Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of bullying or retaliation may range from positive behavioral interventions up to and including suspension or expulsion of students and dismissal from employment for staff members.

Consequences for a student who commits an act of bullying or retaliation shall be varied and graded according to the nature of the behavior, the developmental age of the student and the student’s history of problem behaviors and performance. Remedial measures shall be designed to correct the problem behavior, prevent another occurrence of the problem, protect and provide support for the victim and take corrective action for documented systematic problems related to bullying.

Examples of consequences may include, but are not limited to:
- Admonishment
- Temporary removal from classroom
- Deprivation of privileges
- Classroom or administrative detention
- Referral to disciplinarian
- In-school suspension
- Out-of-school suspension
- Expulsion

Examples of remedial measures may include, but are not limited to:
- Restitution
- Mediation
- Peer support group
- Corrective instruction or other relevant learning experience
- Behavior assessment
- Student counseling
- Parent conferences

In support of this policy, the Board of Trustees promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying. The Board of Trustees encourages the Headmaster to work collaboratively with all staff members to develop responses other than traditional discipline as a way to remediate substantiated instances of bullying.

XIII. Reporting of Substantiated Incidents to the Headmaster (RSA 193-F:4, II(l))
The Headmaster’s designee shall forward all substantiated reports of bullying to the Headmaster upon completion of the designee’s investigation.
XIV. Communication with Parents upon Completion of Investigation (RSA 193-F:4, II(m))

1. Within two school days of completing an investigation, the Headmaster or designee will notify the students involved in person of his/her findings and the result of the investigation.
2. The Headmaster or designee will notify via telephone the parents of the alleged victim and alleged perpetrator of the results of the investigation. The Headmaster or designee will also send a letter to the parents with 24 hours again notifying them of the results of the investigation.
3. If the parents request, the headmaster shall schedule a meeting with them to further explain his/her findings and reasons for his/her actions.
4. In accordance with the Family Educational Rights and Privacy Act and other law concerning student privacy, Coe-Brown Northwood Academy will not disclose educational records of students including the discipline and remedial actions assigned to those students and the parents of other students involved in a bullying incident.

XV. Appeal

1. For non-disciplinary remedial actions where no other review procedures govern, the parents of the pupils involved in the bullying shall have the right to appeal the Headmaster or designee’s decision to the Board of Trustees in writing within five (5) school days. The Board of Trustees shall review the headmaster’s decision and issue a written decision with then (10) school days. If the aggrieved party is still not satisfied with the outcome, the aggrieved party may file a written request for review by the Board of Trustees within ten (10) school days of the Headmaster’s decision. The Board of Trustees will adhere to all applicable New Hampshire administrative rules.
3. The Board of Trustees or its designee will inform parents of any appeal rights they may have to the New Hampshire State Board of Education.

XVI. School Officials (RSA 193-F:4, II(n))

The Headmaster is responsible for ensuring that this policy is implemented. The Headmaster may establish additional procedures to facilitate the implementation of this policy.

XVII. Capture of Audio Recordings on School Buses

Pursuant to RSA 570-A:2, notice is hereby given that the Board of Trustees authorizes audio recordings to be made in conjunction with video recordings of the interior of school buses while students are being transported to and from school or school activities. The Headmaster or designee, along with the bus company, shall ensure that there is a sign informing the occupants of school buses that such recordings are occurring.

XVIII. Use of Video or Audio Recordings in Student Bullying Matters

Coe-Brown Northwood Academy reserves the right to use audio and/or video recording devices on Coe-Brown Northwood Academy property (including school buses) to ensure the health, safety and welfare of all staff, students and visitors.

The Headmaster is authorized to contact Coe-Brown Northwood Academy’s attorney for a full legal
opinion relative in the event of such an occurrence.

Inquiries, complaints, and other communications relative to this Student Bullying Policy shall be addressed to the following person designated for this area:

Mrs. Shanyn Grenier, Director of Counseling
Coe-Brown Northwood Academy
907 First NH Turnpike
Northwood, NH 03261
(603) 942-5531

POLICY STATEMENT REGARDING SEXUAL HARASSMENT FACULTY, STAFF AND STUDENTS:

It is the policy of the Coe-Brown Northwood Academy that all members of the Academy should be able to work and study in an environment that is free of sexual discrimination and sexual harassment.

Sexual advances, requests for sexual favors, non-verbal, verbal, and/or physical conduct of a sexual nature constitute sexual harassment when:

1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or education;
2. submission to or rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual; and
3. such conduct has the purpose or effect of individual’s academic or professional performance or of creating an intimidating, hostile, or offensive employment, education, or living environment.

Sexual harassment is illegal under both state and federal laws. In some cases, the individual may be susceptible to prosecution under the criminal sexual conduct law.

Inquiries, complaints, and other communications relative to this policy shall be addressed to the headmaster or to the following person designated for this area:

Mrs. Shanyn Grenier, Director of Counseling
Coe-Brown Northwood Academy
907 First New Hampshire Turnpike
Northwood, NH 03261
(603) 942-5531

ATHLETIC DEPARTMENT:
Meetings for all sports teams are held prior to the start of every season. At that time participants and their parents are provided information sheets and contracts regarding student-athlete participation standards. Players and their families should review these together. Questions regarding team requirements and expectations should be addressed to the team coach first and then to the athletic director:
While the team information and contracts contain more detailed information, all student athletes should know:

1. All athletes must have had a physical exam and take part in a concussion safety protocol before trying out for a team.
2. Students must meet eligibility standards set by the NHIAA. Students must pass four full credit courses to remain eligible to participate in athletics.
3. Students will face serious consequences in school and with their participation in athletics for involvement with tobacco, drugs or alcohol.
4. Attendance at all practices and team events is required for athletes. There are consequences for missing practices and competitions.
5. Students must be in school by 10:00 a.m. to be eligible for the day’s practice or games unless they have received prior permission of the Headmaster or Athletic Director.

Co-curricular activities are intended to supplement the academic curriculum by providing a wide variety of experiences in many areas of interest. However, active and satisfactory participation in the academic program must be prerequisite to participation in all other school-sponsored activities.

Remember, schoolwork and classroom behavior come before athletics. Students are in school to receive an education. Conduct in a positive manner in the school community is important for those who represent Coe-Brown Academy in sports.

**CONCUSSION MANAGEMENT:**
The Board of Trustees of Coe-Brown Northwood Academy is aware of the serious nature of concussions and the importance and providing proper immediate and on-going care. This will include, but not necessarily be limited to, identifying, assessing, insuring the student is removed from the casual activity, communicating with all appropriate individuals including medical personnel, and implementing an appropriate schedule for return to activity. The Athletic Committee of the Board, along with the Athletic Director and appropriate staff have developed the procedures necessary to insure the appropriate care is provided in these situations.

Coe-Brown Northwood Academy Athletics has implemented an innovative program for our student-athletes. This program will assist your physician/athletic trainer in evaluating and treating head injuries (e.g., concussion). In order to better manage concussions sustained by our student-athletes, we have acquired a software tool called ImPACT (Immediate Post Concussion Assessment and Cognitive Testing). ImPACT is a computerized exam utilized in many professional, collegiate, and high school sports programs across the country to successfully diagnose and manage concussions. If an athlete is believed to
have suffered a head injury during competition, ImPACT is used to help determine the severity of head injury and when the injury has fully healed.

The computerized exam is given to athletes before beginning contact sport practice or competition. This non-invasive test is set up in “video-game” type format and takes about 15-20 minutes to complete. It is simple, and actually many athletes enjoy the challenge of taking the test. Essentially, the ImPACT test is a preseason physical of the brain. It tracks information such as memory, reaction time, speed, and concentration. It is not an IQ test.

If a concussion is suspected, the athlete will be required to re-take the test. Both the preseason and post-injury test data is given to a local doctor or, to help evaluate the injury. The information gathered can also be shared with your family doctor. The test data will enable these health professionals to determine when return-to-play is appropriate and safe for the injured athlete. If an injury of this nature occurs to your child, you will be promptly contacted with all the details. Student-athletes will be required to take the baseline exam every two years.

**SENIOR PORTFOLIO AND EXIT INTERVIEW:**
During the 1993-94 school year Coe-Brown Northwood Academy instituted a new requirement for graduating seniors. The Senior Portfolio and Exit Interview were established as a replacement for traditional final exams.

The philosophy behind the portfolio and exit interview process is straightforward. As students begin the transition from our classrooms to life beyond high school, an opportunity exists to provide them with a culminating experience that will put to practical use the personal, cognitive and communication skills that they have developed. The Senior Portfolio and Exit Interview experience is designed to have the graduating students reflect on their high school experiences and personally assess their attainment of the basic educational criteria described in the “Definition of a Coe-Brown Graduate.”

During this exercise, the seniors should see the transition to their new stage in life. The required and optional parts of the process will allow them to see themselves as part of the community, to take part in a practical activity that will test their abilities in the non-teacher world of adults, and to culminate their four years of high school in a designed process for closure that presents a meaningful challenge.

**COMMUNITY SERVICE FOR COE-BROWN STUDENTS:**
Coe-Brown requires that students complete 40 hours of pre-approved, non-court ordered, community service as part of its graduation requirements. We are frequently asked what sorts of things can be done, so we have compiled the following list which is not meant to be all-inclusive or to provide ever-changing contact people and phone numbers, but to give ideas about the types of things seniors might do. We encourage students to think about what they **like** to do, a group to which they might feel good about contributing, or something that might assist in helping them to decide what they might like to do for a career.

As you might imagine, community service cannot be done for a profit-making enterprise (i.e. working for
nothing for your usual employer), nor can it be done for a family member or neighbor that you should be helping anyway out of the goodness of your heart (shoveling your grandmother’s walk).

Pre-approval is normally done by your advisor, with your counselor and/or anyone in the administration serving as back up. Approval can even be gained during the summertime since an administrator is usually available to review a project. If an opportunity should arise totally unexpectedly, one could also leave a message on a weekend on e-mail or voicemail. However, approval is not guaranteed if the service criteria were not met. Students who enter senior year with all 40 hours completed are in the best shape for the whole Senior Portfolio process. Start today!

COMPLETED FORMS
Once you have completed any hours, have had the organization you worked for fill out their part of the form, and have written your summary, you will turn the form in to your school counselor. Your counselor will record your hours in Infinite Campus.

SCHOOL-WIDE STYLE SHEET:
The School-wide Style Sheet is based on Purdue Online Writing Lab (OWL) http://owl.english.purdue.edu/owl/resource/747/01 and is written in conjunction with all CBNA departments.

The Style Sheet is available on the public drive, the website, and is available from teachers. It will be referred to often by faculty.

Basic Manuscript Style
Be sure to adhere to the following, exactly!

- Font – Times New Roman, size 12.
- Entire paper is double spaced. This rule applies to everything.
- One inch margins appear on all pages, on all margins.
- Page numbers should appear in the heading preceded by students’ last name (Jones 2) on all pages except title.

Additional information should be obtained from the Style Sheet.

ADVISORIES:
All students will be assigned an Advisory which will be a mixed-grade level group with the primary function of meeting to address senior portfolio, project, community service, and other school matters. A regular schedule of meetings has been developed to allow the groups to get to know each other and to begin the process of working toward the successful completion of CBNA requirements.

An additional function of Advisories is to provide students with faculty advisors to serve as mentors and resource people for the entirety of their CBNA careers. The goal is to provide another adult to whom students can turn with non-academic problems and concerns. Whenever possible, teachers assigned as
advisors will stay with the same group of students throughout their four years.

Advisors will take attendance during each meeting on Infinite Campus. Missing students will be reported to the Main Office (which is regular protocol for any missing student from class.) On the second tardy to Advisories during a quarter, advisors will assign students a teacher detention for tardiness. On the third and all subsequent tardies in a term, disciplinary referrals should be submitted to the Assistant Headmasters for administrative detentions (3 tardies) and Saturday Schools (4+ tardies).
